**Farah Food Mart** 2  
**Sunmar Concrete** 2  
Tennis anyone? This is what it felt like this week as Farah Food Mart faced off against Sunmar Concrete. First Ayla Blackburn sizzled one past the Sunmar Concrete goalie Alex Martin-Towns, who then shut the door and masterfully blocked the remainder of the half. Sunmar Concrete's Dillon Carter then lifted one over the head of Farah's goalie Zack Whiteley, who wouldn't let it happen twice stopping everything that followed. Farah's Kyle MacFarlane and Chad Goencz had played fantastic offensive games, while Courtney Crosbie and Farah Abdel-Haleem were strong offensively. Sunmar's Danielle Vis dazzled us with footwork while Clark Walters protected the Sunmar end flawlessly. In the second Dillon Carter scored his second, but Farah's goalie Wyatt Turner blocked the rest famously. The game ended in a tie. Farah Food Mart's Robert James just managed to sneak one by a spectacular effort by Sunmar's goalie Brandon Sarabando. The kids felt like they had run a marathon by the end of this game - they were up and down the field so much.

**Vito's Pizza** 0  
**Memory Lane Limo** 1  
It was a battle of the goalies in the first half as Vito's Pizza's Austin Zikman and Memory Lane Limo's David Jones kept the game scoreless. It was a great season had by both teams and we wish all the players the best of luck in the year to come!

**Vito's Pizza** 0  
**Lucky Sports** 5  
In the final game of the season Vito's Pizza goalie Connor MacLeod found Lucky Sports a team to be reckoned with as Jacob Cameron and Draven Stokes each scored twice and Jacob Quinn scored a single for a total of five goals. Despite great effort by Vito's Pizza's offensive players, Kierran Smillie, Gregor Demarsh, Heather Williams and Ryan McLaughlin, it was a shut-out for goalies Jacob Quinn and Samantha Wisson of Lucky Sports. Thanks for a fun season everyone.

**Farah Food Mart** 4  
**Milton Sunoco** 2  
What a season finale! These two old rivals go way back (to the start of the season). Farah Food Mart got off to a great start with 2 goals from Robert James and another from Wyatt Turner. Kyle MacFarlane was fabulous as first goalie for Farah Food Mart keeping the powerful offensive of Sunoco at bay. At the other end of the field Sunoco's Gurjivane Hans fought off the Farah strikers brilliantly. In the second half Sunoco's Peter Gunn's fancy footwork, netted two. But then goalie Courtney Crosbie rallied to hold Sunoco back. Cameron Hobbs in net for Sunoco dazzled on-looking fans with stunning saves. Farah Food Mart's Robert James wrapped it up with one more goal, assisted by Ayla Blackburn, Omar and Farah Abdel-Haleem, Chad Goencz, Tyler Haynes, Madison Little, Shannon Walters, Zackery Whiteley and Matthew Wagget. A great game by both teams provided a great finish to a great season

**Hunt Chrysler** 1  
**Southview Dental Clinic** 3  
The summer sun intensified the heat on the field in the final game of the season between Hunt Chrysler and Southview. Hunt Goalkeeper "daring Drake Bailey" kept the Southview dynamo at bay until Rachel David successfully snuck one in the net. Southview Dental goalkeeper's shutout Steven Lendovoy persistently lended off the amazing attempts made by Hunt players Spencer Casajahy and Emerson Chambers. The second half of the game had audiences on the edge of their seats as Hunt Chrysler's Brandon Rodriguez burned up the field in a blaze of glory as he scored the team's lone goal. Southview Dental goalie Wesley Dumencu stopped Hunt in their tracks. Rachel David marked again and again as she performed a double whammy against Hunt's relentless goalkeeper Jesse Bonello. Assisted by the awesome Abby Arthur, the Southview girls really took this game home.

**Metform** 2  
**E-Clips** 0  
E-Clips Started the game with some good passing with Blake Eram managing to test Metform's goalie Ian Dinsmore. E-Clip's Katelyn Sales was strong in defence as she turned away Metform's Chris Watts and Matthew Brodie. The E-Clip's goalie made several key saves however Metform's Michael Warner found the answer with his first goal of the night. The second half was excitement plus with E-Clip's goalie Austyn Mitchell saving every shot he could. Metform's Hayden Naykalyk and Maddy Jolivet worked hard creating lots of chances for a goal. E-Clip's had an answer for Metform's attack with tremendous efforts from Deion Frizzell and Blake Eram however Metform's goalie Nathaniel Hadlow was in fine form turning everything away. It was nearing the final whistle when Metform's Michael Warner scored his second of the night leaving E-Clip's goalie Austyn Mitchell with no chance. A special mention to Metform's Katelyn Kelva for her hard work.

**Under 7**  
**A Designer's Touch** 1  
**Milton IDA** 0  
A solid game from the A Designer's Touch team, which played without substitutes, to keep the early lead scored by Tyler Brown against a rocking Milton IDA. Sweeper Kai-Uwe Samstag-Schnock, together with defender Adina Moodie, ensured that his goalies Hayden Brodigan and Elyssa Weickert received the shutout. Tyler's many passes to Jamie Holman upfront created ample chances for a second goal, but IDA's goalies kept their net clean. Lucas Boudwin, Ali Schmidt, and Lindsey Watson from Milton IDA played very strong and, together with their team, kept the pressure on A Designer's Touch defence.

**Vanier Insurance Adjusters** 7  
**Standard Products** 0  
Vanier's sharpshooters were able to capitalize on most of their chances and won big, with goals being scored by William Skoryk (2), Mitchell MacDonald (2), Adam Schenbri (2) and Alex Kozairz thanks to some great setups and passing by Shannon Murray and Scot Davies. Meanwhile Standard Products players Niko, Mitchell and Austin made some customized moves and some great plays only to be stopped at the goal line. Vanier goalies Hayley Goertzen and Jessica Walsh did a great job and were able to claim a shut-out while Standard goalies Bradley and Nathan never got discouraged and came up

**Cooper Standard Products** 0  
**Greenpark Homes** 2  
In this back and forth game, Greenpark Homes goalie Greg Schicht lended off several shots by Standard Products player Matthew Bergman. Nathan Brown, first half goalie for Standard Products played a strong game and was tested several times, but only Greenpark's Anthony Martin managed to put one past him. In the second half Greenpark's Marcello Mue showed lots of hustle and Ryan Tanason scored their goal. Goalies Bradley Alford for Standard Products and Graham Bignell for Greenpark Homes were both very strong in net.

**Standard Products** 0  
**A Designer's Touch** 2  
Lots of action characterized this game as A Designer's Touch emerged victorious over Standard Products at Bronte Fields. Despite excellent goaltending by Amy Lintack and Tyler Tingley of Standard Products, teammates Dylan Brown and Jamie Holman each posted a goal. A Designer's Touch goalkeepers Hayden Brodigan and Michael Gingsras together with a strong defense line consisting of Elyssa Weickert and Kai-Uwe Samstag-Schnock managed to shutout Standard's offensive incursions spearheaded by Nathan Brown and Matthew Bergman.

**Zellers** 0  
**A Designer's Touch** 2  
On a hot, muggy evening, Zellers and A Designer's Touch toughed it out to play a surprisingly action-packed game. A Designer's Touch goalkeepers Scott Stolpmann and Eric Bahen were hard-pressed to shutout Zeller's teammates Tristan Kivac and Lorenzo Scremin who consistently threatened to score. Goals for A Designer's Touch were posted by Grant Ginson and Tyler Brown. Michael Gingsras and Adina Moodie of A Designer's Touch were instrumental in thwarting Zellers many attempts to break the shutout.

**Scotia Capital Sharks** 1  
**M&M Meats 2**  
This was a close low scoring affair with the Scotia Capital Sharks holding a 1-0 lead at half-time on a goal by J.J. Stimson, backed up by the shutout goaltending of Thomas Struck. M&M Meats came back in the second half with goals from Paul Munday and Daniel Guarini. The goaltending tandem of Ian Tascone and Ryan Lane kept the Sharks to one goal despite several good scoring opportunities. Victoria Medeiros and Zach Wadhams had superior efforts for M&M's, while Zachary Wither-Weston (the Sharks 2nd half goalie) Kaitlyn Avila, Courtney Whetham and Rebecca Kingston all worked very hard attempting to tie the game for the Sharks.

**Vanier Insurance Adjusters** 3  
**Milton Hawkeyes- Dr. Susan Jany-Optometrist** 0  
The Hawkeyes had their eyesight's set on Vanier's goal line all game, and with some great plays by Michelle Kelly and excellent passing by Nathan Schaper and Kaitlyn Geogher, the Hawkeyes were able to break through the Vanier defense only to be stopped at the goal line by Vanier's William Skoryk and Richard Durante. The Hawkeyes defense was tough and it took some precision passing by the Vanier forwards to get through and get a kick on goal. Hawkeye goalies Paul Graham and Kyle Biddiscombe made some excellent saves, but Vanier's William Skoryk scored first, then a double-power-kick from Mitchell MacDonald and Alex Kozairz found the net, and then Jessica Walsh scored after keeping her mom in suspense all year, scoring her first goal in the final minutes of the final game!
