**PHILIP "PIP" MORLEY**  
You were such a wonderful husband and a kind and loving father. You lived your life like part of a poem that was read at your funeral called "The Dash"  
For it matters not, how much we own:  
the cars, the house, the cash.  
What matters is how we live and love  
and how we spend our dash."  
We love you and miss you so very much.  
You will be in our hearts forever.  
**Susan, Rebecca & Jennifer, Ada & Bill, Jim, Rob & Jackie.**

**259 Cards of Thanks**

**Thank You!**  
*I would like everybody to know how much I appreciate it that they visited me on the day of my 80th Birthday Celebration at the Open House in Campbellville. Thank you all for your best wishes and a special thank you to our Children and Grandchildren who have been working hard to make it an unforgettable day for me and my wife!*  
**Dirk Boomhouwer!**

**GILLIS**  
*I would like to express my sincere thanks to the many relatives, friends, and family for their acts of kindness, flowers, cards and gifts while my stay in the hospital. It helped to give me strength each and everyday. A special thanks to Dr. Schachter and the nurses of Milton District Hospital for taking such great care of me. My sincere thanks goes out to the Hamilton General Hospital Trauma Unit who helped me through my most critical time.*  
**Sincerely, Denise Gillis**

*The family of the late Fred Janowsky would like to extend our sincere appreciation to home care providers of CCAC, staff of Milton District Hospital and the Canadian Red Cross for your care and support during a difficult time. A very special and warm thank you to the staff in the continuing care unit of the hospital, Dr. Koslowski, Dr. Schatzmann, Father Damian Schofield and staff at the Scott Early Funeral Home for your compassion. You are truly wonderful.*

*On behalf of Audrey Lyle's family, I wish to thank all of you for your expressions of sorrow over the passing of my loving mother, and for the courage and strength you have instilled in me and her family during this time of great loss. Mom taught me that it is with family and friends we feel most secure and comforted, a belief that kept her actively involved in her church and her community for many decades. Until I can thank each of you personally, be assured you are all included in our sincere note of appreciation.*  
**Sincerely, Bob Lyle**
