Discovering Downtown

MILTON

Jay's Ice Cream Open All Year 'Round

Jay's Ice Cream, located at 146 Main St., Milton, has now completed its second full year under the ownership of Jason Van Der Veen, 25. This thriving downtown business would like to welcome new residents to the Milton community,

customers. *Kool Aid* is now the sole provider of the Slushy flavours that Jay's carries. The most recent addition to the menu is *Jones Soda*, which Jay hopes will be as successful as the Slushies were. Presently, nine varieties of this unique soda are available, with possibly more to be added!

and invite them to come down and taste one of the many mouth watering flavours that are offered. Jay's Ice Cream caters hard ice cream exclusively, supplied by *Nestle* and *Maypole*. In the summer season, customers can choose from the extensive FORTY flavours that are available, while the winter season provides a hardy sixteen flavours.

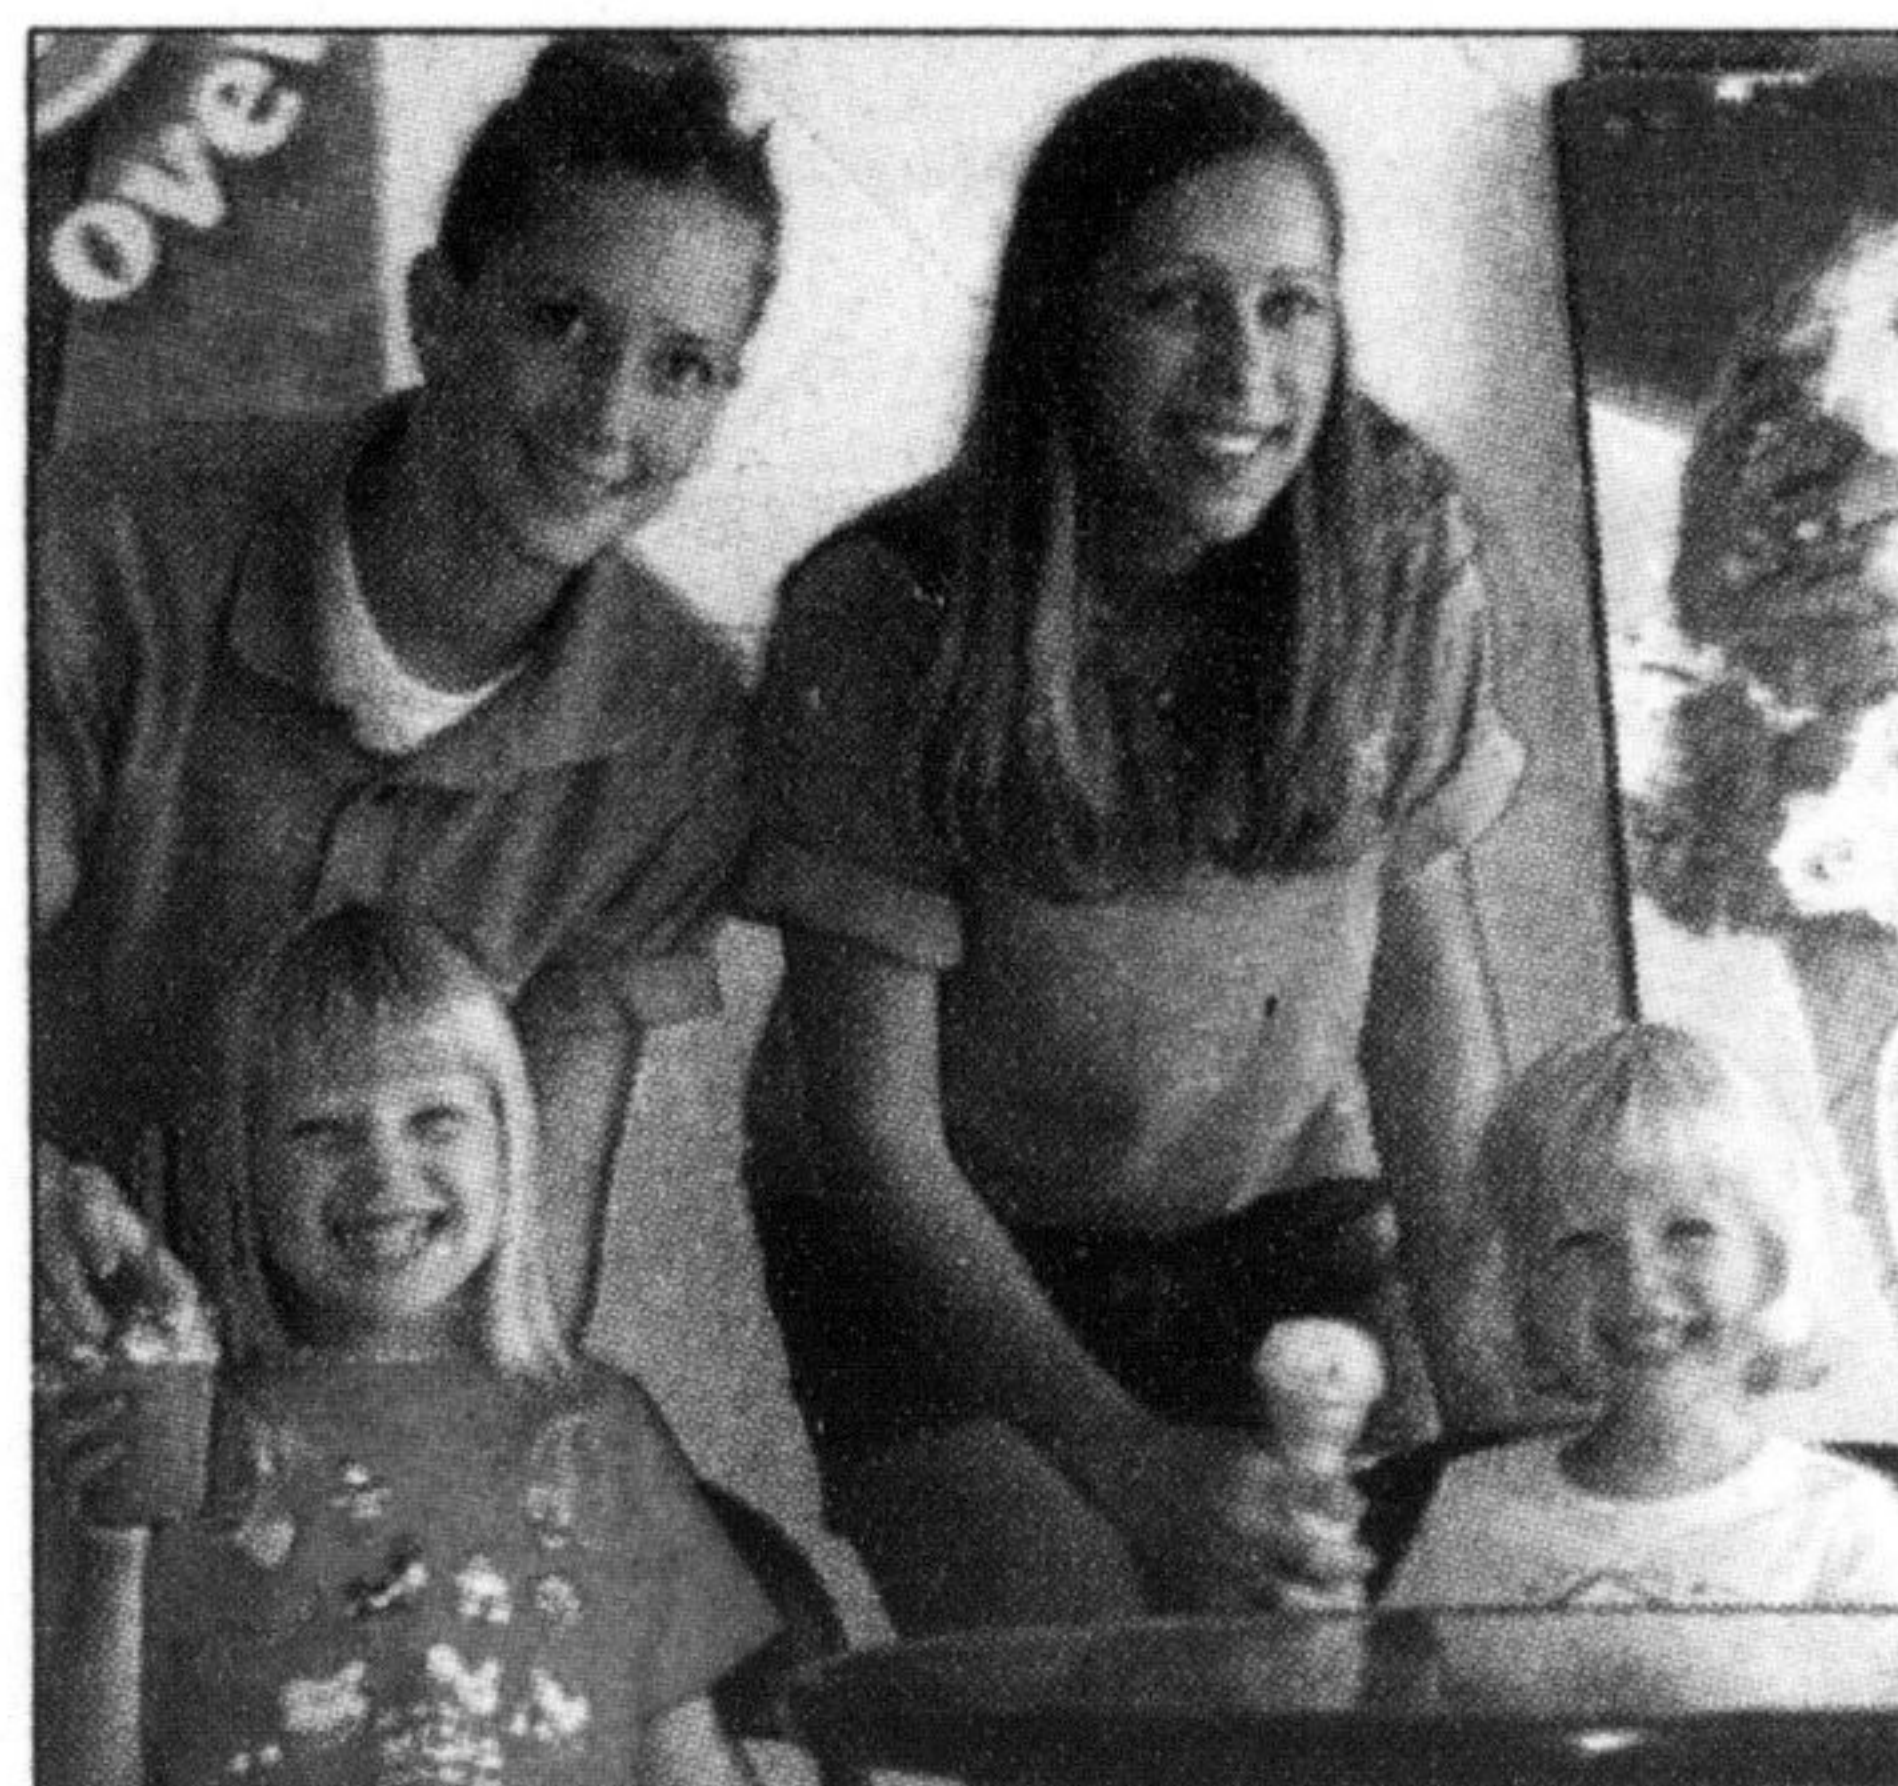

The store has also received some cosmetic improvements, which includes a new face for the store in the form of a new sign and logo. New chairs and interior signs have been added as well.

A continuing tradition at the store is the ever-popular Frequent Buyer's Card. One stamp is received for every ice cream purchased, and once the card is full (10 stamps), the consumer receives a FREE medium regular cone. A full card is also eligible to be entered in the infamous Cake Draw, which entitles the random winner of each month's draw to a free ice cream cake. The monthly cake draw has now been occurring for one full year, and will continue to be a family favourite among regular customers.

Jay's Ice Cream is well known in the community for maintaining a cozy "small town" atmosphere. This enjoyable aspect is unique to a sole-proprietorship, such as Jay's. Jason is a self-made entrepreneur who enjoys talking to customers, and he has become a loveable icon for the downtown business core.

Last summer, Slushies were added to the menu, which proved to be a huge hit with the

Jay's is also known for its friendly staff, which includes Danielle, Sara, Rachelle and Melena. Customers often comment on how nicely they are treated when they are at Jay's Ice Cream, and how the service is always efficient and completed with a smile!
