Sending Birthday wishes from afar
In hopes you'll hear them where you are
Twenty Five years old you'd be today
We'll light some Candles where you lay.
It's hard to believe you'd be Twenty Five
We'd have a party, it would be a surprise
You'd Dance and Laugh and Eat that night
Baskin Robins Ice-cream cake, Right?
A lot would have change for you this year
Instead we go on without you here
You'd be done school maybe even engaged
We can't imagine you at that stage.
Your car insurance would also go down,
Considering how you drove around
That'd be the biggest gift of all
You'd spend your savings at the mall.
We were blessed with Twenty, it
wasn't enough
Unfortunately we don't control that stuff
May you hear the prayers we send your way
Today's prayer send a Happy Birthday!
With Love Mom, Dad and Charlie
