# Man charged with harassment following complaint from boy

*Suspect was part-time instructor at Oakville martial arts school during alleged incidents*

A part-time instructor at an Oakville martial arts school has been charged with criminal harassment following a complaint from a 13-year-old male student.

According to Halton Regional Police's Child and Sexual Assault Bureau (CASA), the instructor, who lives in Milton, was arrested October 16.

His arrest culminated a two-week inves-

tigation initiated by a complaint from the student.

The alleged incidents — which were reported by the boy to his parents, who in turn called police — involved unwanted communication and attempts by the instructor to have the youth meet him at another location.

In addition, police said the instructor was

observed by the boy's father driving by his son's home on several occasions in early October.

The police investigation included inter-views with other students at the martial arts school where the man is no longer teaching.

The name of the school has not been released by police to protect the identity of the student.

A 26-year-old Dolby Crescent man has been charged with criminal harassment and will appear in Oakville court Tuesday.

The second suspect is described as a white male between 17 and 18 years of age, five-foot-six with a medium build. He
