

Retired firefighters will be honoured tomorrow evening

Milton firefighters who have retired within the past 10 years will be recognized tomorrow evening at Memorial Arena.

"All part-time retired firefighters will be recognized," said Ron Townsend, district chief of Central Station, adding 25 former firefighters were sent invitations.

"We are holding this to recognize those who have left the department. We haven't done something like this in a number of years."

Chief Townsend said four captains from the Milton Fire Department will perform an Honour Guard — standing at attention while holding flags — as the honourees march into the room by a piper.

The evening will also feature dinner and a formal presentation, followed by a dance.

Correction

A story that appeared in last Friday's issue of The Champion contained incorrect information.

Country Heritage Park on Tremaine Road was the only organization that received the Community Impact Award from the Ontario Trillium Foundation, not one of 10 organizations as reported.

Ten groups were recognized by the Ontario Trillium Foundation, but only Country Heritage Park received the Community Impact Award.

The Champion apologizes for the error and any inconvenience it might have caused.
