Mustangs corralled by Tigers

Milton District Mustang Jesse Rashotte (at left and above) had a strong day on the gridiron, with a number of impressive carries and a first-quarter touchdown in junior boys football play against Oakville's T.A. Blakelock Tigers Wednesday afternoon. However, MD wasn't able to preserve this early lead and fell 22-8 in its regular-season ending game. The 2-4 Mustangs will begin the playoffs at Blakelock Wednesday.

E.C. Drury wrestlers shine at international meet in Puerto Rico

Spartans finish first in youngest age division

Drury's sophomores were especially impressive, with all four posting top-five finishes in the schoolboy loop. Peter Leaman led the charge with gold, while striking silver were Robbie Hunt and Gary Ferrier — who also wrestled in the cadet class and took the bronze. Overall, Ferrier delivered four pin-fall victories in the two divisions and had an overall record of 5-2. Matt Mantin placed fifth to round out the schoolboy efforts, while Jesse Ronan was fourth and Steve Shortt fifth among the cadet grapplers. The Spartans — who're looking to capture an unprecedented fourth consecutive OFSAA championship this coming spring — held their annual rookie camp this past week and begin the regular season November 4. Their first tournament is scheduled for November 22 in Hagersville.

E.C. Drury wrestlers are no strangers to provincial and national success. But Larry Jaroslowski's Spartans took it a step further last week — shining at an international tournament in Puerto Rico. About 300 grapplers from five countries competed for global bragging rights, with the local lads helping to secure Canada's collective domination. Drury won the schoolboy division — for 15-and-under wrestlers — and took third place in the 16 and 17-year cadet class, while securing top honours in the senior loop was a school from Montreal. While the Spartans had little time to train for the trip — since the school board's ban on international travel left things in doubt until last month — they showed no ill-effects from a lack of preparation.
