

Local fundraisers serve up a Taste of the Escarpment

Ellen Hughes (left) serves up some appetizers to fellow Taste of the Escarpment committee members Clara Paul and Nancy Raithby as well as Martindale Gardens construction site manager George Kern to promote the Taste of the Escarpment fundraiser on Friday, Nov. 15 at Granite Ridge Golf Club. Proceeds from the annual event — which will once again feature Don Harron, better known as funny man Charlie Farquharson — will go to Martindale Gardens, Milton's soon-to-be-open assisted-living facility. For Taste of the Escarpment tickets, call (905) 693-8592.

KIDS! WHAT DO YOU DO WITH THEM?

Cleaning your house while your kids are still growing up is like shoveling the drive before it has stopped snowing.

"There is only one pretty child in the world...and every mother has it." - Chinese Proverb

Mothers of teens know why some animals eat their young.

Children are natural mimics who act like their parents, despite every effort to teach them good manners.

Children will soon forget your presents. They will always remember your presence.

Children seldom misquote you. In fact, they usually repeat word for word what you shouldn't have said.

The main purpose of holding children's parties is to remind yourself that there are children more awful than your own.

Grandchildren are God's reward for not killing your kids.

Favourite line used by frustrated mothers in embarrassing public moments: "Who are these kids and why are they calling me

"Mom?" or "I love to give homemade gifts. Which one of my kids do you want?"

Insanity is hereditary. You get it from your kids.

You can fool some of the people all of the time and all of the people some of the time, but you can never fool mom.

A child's greatest period of growth is the month after you've purchased new school clothes.

Anyone who says "Easy as taking candy from a baby" has never tried it.

Children: You spend the first 2 years of their life teaching the to walk and talk. Then you spend the next sixteen years telling them to sit down and shut-up.

The best inheritance parents can give their children is a few minutes of their time each day.

What is the most enduring gift that a parent can give to a child? Is a faith and a love that endures for all time that comes from

a personal relationship with Jesus Christ.

What can you do with your kids? Bring them to church! Help them to establish a strong ethical foundation that will serve them well when contemplating life's crucial questions. Calibrate their moral compass so that it will always point them in the right direction regardless of the pull to get off track.

In a child's life, you can make a difference! Will you present him or her with opportunities to understand God's love? Will you light up a life by passing along a spark of the Divine? Or will you pass up on a precious opportunity, that may never come around again?

Today is the day to begin to make an eternal impact! Make plans to visit a local church this week! Consult the Religious Directory below for service times and locations! And follow through on your commitment to attend - you will never regret it!
