**TRANSDUCERS AND INSTRUMENTATION  
TECHNICAL REPRESENTATIVE**

Hoskin Scientific Limited, an established Canada-wide distributor of Transducers, Automation Products, and Instrumentation, is looking for an individual to fill the position of **Inside Technical Support**. This person will be required to effectively communicate with our clients on their projects and applications. The candidate will use a close working relationship with our sales engineers and suppliers to support sales opportunities.

The individual should possess a background in Industrial Transducers and Instrumentation for the measurement of load, pressure, distance, and vibration along with a keen interest in marketing and sales of instrumentation. Having a post secondary education in Engineering, Instrumentation, and/or Electronics would be an definite advantage.

We offer a competitive remuneration package and a full range of benefits. Interested candidates should send their resume in confidence to:
