

# MILTON DISTRICT HOSPITAL FOUNDATION

## "Buy a Bulb Campaign"

Twelve years ago the Foundation embarked on a very special Christmas program, The Buy a Bulb Campaign. Your efforts and support have made this fundraiser one of the most successful initiatives ever undertaken by the MDH Foundation. Since 1991 the campaign has raised approximately \$675,000 for the Milton District Hospital and has supplied new or replacement equipment throughout the Hospital. This year donations raised, through your generosity, will be used to finance a new video gastro-scope at a cost of \$35,417.

Remember that each and every donation lights a single bulb or a string of lights on the beautiful Caring or In Memoriam trees. Due to the donors every-increasing gen-

erosity each year the strings of lights have increased.

Come join us at the Hospital on Tuesday, December 10th at 7 p.m. as we unveil our spectacular trees. The Tree Lighting has become an annual event enjoyed by children of all ages. Afterwards join us for a cup of hot cider and a delicious treat. Santa will be there to hear all your wishes. Psst..our wish is for a new video gastro-scope.

The Milton District Hospital Foundation would like to thank ALL of you for your outstanding support and to wish you a very merry Festive Season. We hope to see you at the Tree Lighting.

Join us on the front lawn of the Milton District Hospital on Tuesday, December 10th at 7:00 p.m. and see how bright our trees will be!
