

Association sets goal to sell 3,000 bunches of tulips here

Winter has barely begun but the Halton branch of the Lung Association is already thinking spring.

The association is busy getting its Breath of Spring Tulip Campaign underway, with proceeds from the flowers going toward lung health programs.

Tulips will be delivered February 26 to individuals or businesses who've made purchases.

"The Breath of Spring Tulip Campaign generates enthusiasm for everyone who's involved," said Mickie Daniel, executive director of the Halton branch. "Not only does it raise funds for lung health

programs, it brings a note of spring cheer to the end of winter."

She said the goal is to sell 3,000 bunches in Halton and 100,000 bunches across Ontario.

Payment is due upon delivery. For more information, call (905) 847-1033 or e-mail to halton@on.lung.ca.

Municipalities' Web sites linked for easier access to information

Halton Region and area municipalities have teamed up to create one-stop access to on-line information.

Both Halton and the municipalities are providing links to each others' Web sites regarding council and committee agendas.

"It's about customer service.

This calendar is a perfect example of how the Region and municipalities work in partnership," Regional Chair Joyce Savoline said in a press release.

"By making it easier for you, the residents, to access the schedules of your local and regional government, we hope to encourage your

participation to ensure that we continue to meet your needs."

The calendars will be available through both the Region's Web site (www.region.halton.on.ca) and municipal Web sites, including Milton's, which is located at (www.town.milton.on.ca).

French program info sessions

Parents interested in learning more about the Halton District School Board's French Immersion and Extended French programs are invited to attend information evenings at E.W. Foster and Martin Street

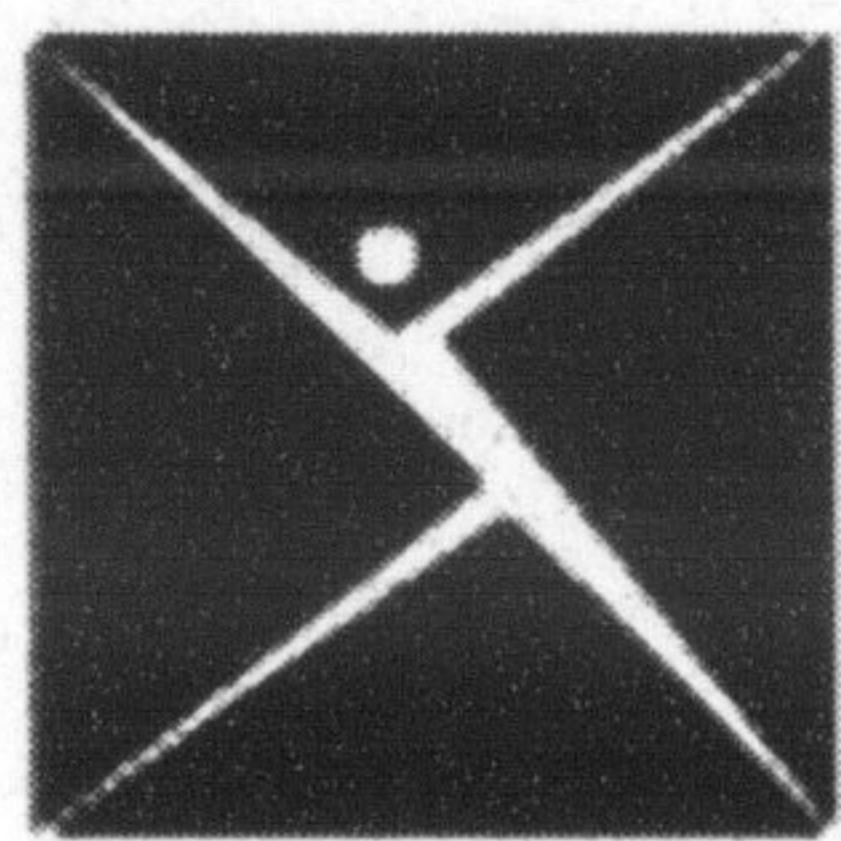

schools January 21. Both events will begin at 7 p.m.

For more information regarding the programs, call E.W. Foster School at (905) 878-1953 or Martin Street School at (905) 878-8191.
