- Misinformation appeared in a January 24 story. Milton's property taxes, based on an average-assessed home, have gone up about \$12 for 2003, not \$550 as incorrectly reported. And, a surplus report, based on the Town's financial statements for 2002, will be brought before council for approval next month. The \$122,000 surplus printed in the story is not the final figure.
 - A lifestyles story in last Friday's Champion contained incorrect information. The article about cross-country skiing listed phone numbers for local conservation areas, but unfortunately their area code was mistakenly reported at 416. For up-to-the-minute trail conditions, call (905) 854-0262 for Hilton Falls, (905) 854-2276 for Mountsberg and (905) 854-0234 for Crawford Lake.
- The Champion apologizes for the errors and any inconvenience they may have caused.

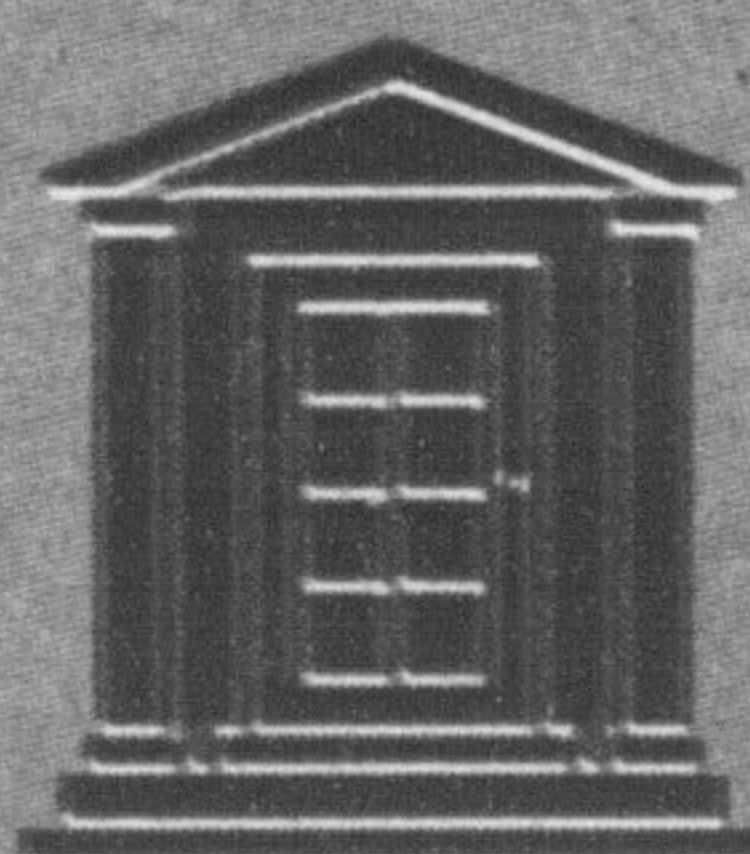

IT TAKES VISION TO SEE THE FUTURE

Perhaps you'd like to set up a fishing camp somewhere in the interior of B.C. Perhaps you'd rather have a horse farm outside of Rockwood. Maybe you just want to spend a couple of weeks somewhere sunny to recharge your batteries each winter, and spend the rest of the year spoiling your grandchildren.

We all have a vision of what we'd like our future to hold. I can help you develop a plan to make it happen for you. It doesn't need to be complicated.

IT TAKES THE RIGHT PARTNER TO MAKE IT BRIGHTER

I am a Certified Financial Planner committed to helping my clients achieve their goals. Working together, we can determine your immediate goals as well as your long term goals, and then develop a plan that will help you meet each of them. Take some time out of this winter so that your future can be one long, sunny summer. Call Jackie today to book your initial consultation. We have extended hours in January and February and I look forward to meeting with you.
