A dream wedding with the proper planning

Every bride and groom wants their wedding to be perfect. From the ceremony to the reception, they consider all the details, and while this makes for a beautiful wedding day, it also causes months, even years, of stress.

The best way for a couple to remain calm while planning the big day is to get organized. By making a list of things they need to do, they can allot time in their schedules for each task - and they can feel a sense of accomplishment and relief each time they cross something off the list.

- Set the date - As soon as possible after getting engaged, the couple should select a wedding date and decide on the type of wedding they would like to have. From a traditional ceremony in a church to a surprise wedding, where guests are invited to a "party" that turns out to be a wedding, couples are personalizing the event and planning weddings that reflect their lifestyles and interests.

- Reserve a location - The couple should reserve the church or location of the ceremony soon after setting the date to ensure they can get married on the day they want. Then, they need to reserve a reception location. Selecting just the right place to exchange vows and with whom to share the experience.

This will help the couple determine the size and style of their wedding.

Nothing can compare with the elegance and beauty of the Niagara Escarpment available as a backdrop at Halton Hills Place & Banquet Hall. Simplify your day and have everything done at one location. From your wedding vows being performed under our picturesque gazebo with the peaceful sound of a trickling waterfall in the background. Perhaps an island at the front of our garden is more suited to your taste or 'Tony' our resident Macaw can greet your guests!

The courtyard is also available to create the perfect ceremony or wedding pictures. Whether you wish an indoor or outdoor celebration, a tent facility is available. Our air conditioned hall seats up to 500 guests.

We specialize in Italian & European cuisine and leave no detail unturned. Large dance floor, complete bar service & superb food all located in a 36 acre park with ample free parking. Your one stop wedding location. Let us take the worry from that special day and assist you in creating your perfect day at Halton Hills Place & Banquet Hall.
