Halton Region receives Triple AAA credit rating...again!

Halton Region recently had its Triple AAA credit rating reaffirmed by Standard & Poor's Rating Services. This is the highest rating available to municipalities in Canada. It allows Halton Region and the area municipalities (City of Burlington, and the Towns of Halton Hills, Milton and Oakville) to borrow funds at the lowest possible interest rates.

Standard & Poor's confidence in Halton confirms our exceptionally strong financial position. This is an outside, credible agency that tells us that we are effectively managing taxpayers' money. What this means to the community is that we can continue to maximize our financial opportunities through investment in our infrastructure, programs and services, to ensure that we meet your expectations for a safe and healthy community.
