50TH ANNIVERSARY

It is with great pleasure I offer congratulations to my business partner of 15 years, Bill Bristow and more importantly my parents, Bill and Iris Bristow on this joyous occasion.

Bill was one of the select few chosen to join the RCMP. He left his small hometown and commercial fishing in Gimli Manitoba for bigger and better prospects only to be whisked off in a freezing freight plane to Regina where it was even colder. He was one of the elite RCMP musical riders (he is in the picture on the old \$50 bill showing the Mounties in circle formation). After being stationed to Toronto he met the girl of his dreams, Iris Cathcart. Iris was a comptometer operation with Toronto Carpet at the time. He was at a dance at the YMCA and trying to get an opportunity to dance with her - (you can see why from the pictures below). After much convincing he was able to get her phone number from her girlfriend Stella and so they began dating for a few months. Bill left to tour with the RCMP for nearly a year. Upon returning Bill and Iris has a quiet wedding on March 5th, 1953. And the rest is history...

Here they are.....

 You never would have left us
 If only you had known
 The pain and heartache
 From the seeds of doubt you've sown
 Thought of you, your charm and laughter
 and the witty things you'd say
 Change the numbness to sweet memories
 That get us through each day
 If only we could turn back time
 To see you just once more
 There will always be a special place
 In our hearts for evermore
Miss you always
 Love Kim, Neil, Scott & Aaron
