2004 PACIFICA AWD
The Chrysler Pacifica cannot be billed in any existing automotive category, it's an all-new segment that will follow the success of our minivan and PT Cruiser," said Peter Zeitsche, President and CEO of the Chrysler Group. "Chrysler Pacifica is a sports tourer with the right formula of proportion, packaging, performance and appearance that will set it far apart from our competition. With its low step-in height, first class seating, three rows of seats, and car-like handling, there is nothing else like it in the marketplace."
