

Milton Success Stories

A Pizza store with a special flavour of food and hospitality

Next time you are in the mood for great pizza, stop in at 241 Pizza, located at 525 Ontario Street.

241 Pizza is a pizza take out and delivery franchise under the ownership of an enthusiastic husband and wife team.

The 241 Pizza franchise was established in 1986 and offers great deals in pizzas. They have added to their menu over the years and it contains a variety of menu items such as wings, wedges, garlic bread and sticks and Caesar salad. They are noted for their tasty pizza at a great price, as tested by their regular customers.

They and their staff make everyone feel welcome and reassured they are getting great tasting pizza at an excellent price.

The owner Rupi always goes out of her way to make sure that you leave with a smile on your face. She says "the key to making a great pizza is having the freshest ingredients, our dough is made daily on the premises, and the cheese is grated and fresh vegetables cut by hand."

We here at 241 Pizza would like to thank all our customers for their support through the years. We always look forward to meeting new faces. We would like to welcome all our new neighbors that have moved to Milton.

So if you and your family are feeling hungry, just pick up a hot tasty pizza or if you don't feel like going out, we will deliver to your door.
