

Halton Region

A Partnership That Works!

NOTICE OF STUDY COMMENCEMENT TRANSPORTATION MASTER PLAN STUDY

The Region of Halton is initiating a Transportation Master Plan Study to develop a dynamic integrated transportation strategy that considers all modes of travel. This study will provide the Region with the strategies, policies and tools needed to manage traffic safely, effectively, and cost efficiently and to offer a range of transportation choices to meet the needs of Halton residents. Ultimately, the Halton Transportation Master Plan Study will result in a more livable community that supports the mobility needs of residents, businesses and visitors in both the rural and urban areas of the Region. This study is being conducted in accordance with the requirements of Phases 1 and 2 of the *Municipal Class Environmental Assessment (June 2000)*, which is an approved process under the Ontario Environmental Assessment Act.

This notice signals the commencement of the Transportation Master Plan - a study which will define transportation opportunities, identify and evaluate alternative solutions (including alternative modes of travel) and identify an overall transportation network to serve the Region for the next 20 years. A key outcome of the study will be a list of transportation projects that the Region can incorporate into its 5, 10 and 20-year capital budget.

A key component of the study will be consultation with interested stakeholders including the public, interest groups and regulatory agencies. The proposed Consultation Plan provides for three (3) rounds of Public Consultation Sessions at four locations (one in each municipality), Workshops, Newsletters and the establishment of a Transportation Master Plan Citizen's Liaison Committee. The Public Consultation Sessions and Workshops will be advertised as the study progresses.

If you have any questions related to the study or wish to be added to the study mailing list, please contact:

Mr. Edward Soldo, P. Eng.
Manager, Transportation Services
Regional Municipality of Halton
1151 Bronte Road
Oakville, Ontario L6M 3L1

HALTON
TRANSPORTATION MASTER PLAN

CITIZEN LIAISON COMMITTEE

Halton Region Transportation Master Plan Citizen Liaison Committee

This is an opportunity to participate in the public consultation process for the Halton Region Transportation Master Plan study.

The Committee will provide input on the study consultation process and work plan, identify key issues, participate in workshops and focus group meetings, comment on working papers that will form the basis of the final Transportation Master Plan document and comment on any new or revised Official Plan policies that would implement the goals identified as part of the Transportation Master Plan. Committee members will learn about the master planning process and discuss ideas for various transportation solutions to determine the appropriate transportation system in accordance with the Region's Transportation Vision.

Participation from across Halton (Oakville, Burlington, Halton Hills and Milton) is encouraged. One member will be chosen from each municipality.

If you are interested in applying for a position on this Citizen Liaison Committee, please submit an application form.

Application forms are available:

- For pick up from the Clerk's Division, Halton Region, 1151 Bronte Rd., Oakville
- By calling 905-825-6000 ext. 7254 (toll free: 1-866-442-5866)
- On Halton Region's Transportation Master Plan Study web page: www.region.halton.on.ca (click on the Transportation Master Plan icon)

All applications must be received by 4:30 pm on Thursday, April 17th, 2003. For more information, please contact the Regional Clerk's Division at the numbers above, or by e-mail at regionalclerk@region.halton.on.ca.

Tina Agnello, Regional Clerk

PUBLIC NOTICE

PROPOSED RECONSTRUCTION OF 15 SIDEROAD (REGIONAL ROAD #15) FROM 600 METRES WEST OF FIRST LINE TO GUELPH SPUR LINE (MOFFAT) TOWN OF MILTON, OUR FILE: PR-1830

Notice is hereby given pursuant to the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, that the Council for the Regional Municipality of Halton proposes at its meeting on **Wednesday, May 28, 2003 at 9:30 a.m.** to pass a by-law for the reconstruction of 15 Sideroad (Regional Road #15) from 600 metres west of First Line to the Guelph Spur Line (Moffat), in the Town of Milton.

Plans showing the proposed work may be reviewed at the Planning & Public Works Department, Halton Regional Centre, 1151 Bronte Road, Oakville.

On **Wednesday, May 21, 2003 at 9:30 a.m.** in the Halton Room at the Regional Centre, 1151 Bronte Road, Oakville, Ontario, Council through its Planning and Public Works Committee will hear in person, or by his/her Counsel, any person who claims his/her lands will be prejudicially affected by the said by-law and who applies to the Regional Clerk no later than **Friday, May 9, 2003** to be heard.

For further information, please contact Mr. Joseph Choi, Manager, Design Services at extension 7610.

Toll Free 1-866-4HALTON (1-866-442-5866)

Tina Agnello, Regional Clerk

PUBLIC INFORMATION CENTRE

Bulk Water Stations

In an effort to improve service to the Region's bulk water customers, Halton Region is considering a number of proposals, including:

- Station upgrades to improve fill rates;
- Upgrades to allow for multiple users;
- Pilot testing of automated technology to move away from coin operated stations;
- Mobile bulk water dispensing station to better respond to customer needs.

If you use Halton's bulk water services, and would like to learn more about these proposed service improvements, please attend the Public Information Centre:

Monday, April 28, 2003

5:30 - 7:00 pm (brief presentation at 5:45)

Oakwood Boardroom, Woodlands Operation Centre
1179 Bronte Road (just north of Halton Regional Centre)
Oakville

SARS Update

We would like to take this opportunity to assure Halton residents that the risk to the general public is low.

To date, there is no evidence that SARS is spread through community transmission. The most current precautions are in place to control the spread of SARS in our community and hospitals. Good hygiene and frequent handwashing are effective ways of reducing the risk of any infection, including SARS.

The Health Department continues to work with the Ontario Ministry of Health and Long Term-Care, local hospitals and physicians in Halton to monitor for SARS.

The health and safety our residents is extremely important, this situation is closely monitored and actions are taken as quickly as needed.

Dr. Bob Nosal
Medical Officer of Health

Brent Marshall
Chief Administrative Officer

Halton Regional Meeting Schedule: Wednesday, April 16th Regional Council - 9:30 am

For up to date and reliable information on SARS, please visit our Web site www.region.halton.on.ca or call 905-825-6060.
