

# Big chunk of funds from United Way to help kids

It's going to be a brighter year for almost 2,000 children thanks to the United Way of Milton.

The local United Way recently allocated almost \$40,000 toward Milton programs that support children.

The United Way of Milton funds a variety of child-centred programs. Some of this year's funding recipients include Girls Inc. of Halton, formerly the local Big Sisters chapter, the Crisis Intervention Counselling program and group

work services by the Halton Trauma Centre.

At-risk babies and toddlers will benefit from the intervention and treatment services provided by Halton Child and Youth Services' Health Babies/Healthy Children Program, and 1,600

children will receive suitable child care as a result of information provided to parents by the Halton Child Care Registry.

It's estimated that 1,713 Milton children will benefit this year from the \$38,833 allocated.

#### PURPOSE OF THE NEW PROPOSED COMPREHENSIVE ZONING BY-LAW

A new proposed Comprehensive Zoning By-law has been prepared to ensure that the regulations that govern building and

development in Milton are as up-to-date as possible and to implement the provisions of the Official Plan (1997), which is intended to manage land use changes to the year 2016. The new proposed Comprehensive Zoning By-law once adopted will repeal and replace the existing Zoning By-law 61-85 as amended, which currently affects all lands within the Town of Milton.

#### EFFECT OF THE NEW PROPOSED COMPREHENSIVE ZONING BY-LAW

The new proposed Comprehensive Zoning By-law will establish regulations under which new development can occur. New land uses will only be permitted if they meet the requirements of the new proposed Comprehensive Zoning By-law. All uses that legally exist on the day before the new Comprehensive Zoning By-law is passed by Council will be considered legal non-conforming uses, as long as the use does not cease. All buildings and structures that are situated on a property in a manner that does not comply with the provisions of the new Comprehensive Zoning By-law will be allowed to exist in their current locations, but any alterations to those buildings and structures will be subject to the new Comprehensive Zoning By-law when adopted.

#### LANDS AFFECTED BY THE ZONING BY-LAW

The new proposed Comprehensive Zoning By-law affects all lands within the Town of Milton except the Niagara Escarpment Development Control Area. For this reason no key map has been provided.
