

# Pre-Renovation Sales Event!

Every vehicle must be sold to make room for construction. All new, used and demonstrator models are priced to sell. Finance and lease options are available on every model.

Lease from \$293/mo.

The New Beetle coupe comes with gas or diesel engines. See why the Insurance Institute for Highway Safety rated the New Beetle as a Best Pick in its class. Hurry while they are still here.

The Jetta Wagon has been a sold out success since its introduction. We are thrilled to be able to offer 7 diesel equipped Jetta Wagons available on a first come first served basis. Don't hesitate.

Diesel Automatic

Lease from \$248/mo.

We have a complete selection of Golf models from which to choose. With more than 17 available, equipped with gas or diesel engines, we can help you find your perfect Golf.

The extremely versatile Jetta is our number one seller for so many reasons. With 37 from which to choose and special incentives on 180 HP models, what are you waiting for?

Lease from \$318/mo.

4Motion AWD

The Passat Sedan continues to win awards for safety, style and performance. We have 8 models that fit every budget, right up to the W8 with its 270 HP and full time all-wheel-drive.

An insulated power top, glass rear window with defroster, and heated front seats make this a true all-season convertible. We can offer immediate delivery to maximize your summer fun.

Fun, Fun, Fun!

Sport & Utility

The Passat Wagon offers interior dimensions similar to many SUV's, with the dynamic capabilities of a driver's car. With more than 5 from which to choose, selection has never been better.

There is nothing mini about it. The EuroVan is designed to move 7 adults and all their gear in safety and comfort. Of course, the 200 HP VR6 engine is always ready to liven things up a bit too.

Not a Mini Van
