Miltonian named to dean's list

Paul Hasselfeldt, 23, earned that distinction for the spring term at Northwood University in Michigan, where he studied automotive marketing and business management.

He spent nine months in Michigan and four years in Barrie at Georgian College.

To achieve dean's list recognition, students must earn a 3.25 grade point average on a 4.0 scale.

Northwood University is a private, accredited university specializing in managerial and entrepreneurial education — offering two and four year degrees in a variety of enterprise fields.
