CLINIDATA NURSES

The heart of telehealth.

Clinidata would like to offer our most sincere gratitude to all of our nurses and support staff, who remain committed to excellence and quality health care through our role as service provider for Telehealth Ontario. They continuously put public health needs at the forefront, ensuring the highest standard of care for everyone.

RECOGNITION is just one of the rewards of telehealth nursing at Clinidata, a company managed by nurses at every level. We appreciate all that our nurses can do to ensure the success of telehealth services, and we show it:

- Competitive pay and benefits package including referral **bonuses**
- Reimbursement for **tuition and textbooks** for professional development courses, and attendance at **international nursing conferences**
- Safe, clean, and friendly **work environment** with up-to-date **technology**
- **Supportive** nursing environment, along with a monthly **recognition and awards** program, and social activities for our staff
- Professional **advancement** opportunities, and encouragement to participate on committees that steer **corporate planning** in Clinical Practice, Human Resources, Staff Development, and Quality Management.

Is Telehealth Your Calling?

As public demand for telehealth services continues to grow, Clinidata is creating new opportunities for Ontario nurses. You must be a member of CNO with a recognized nursing diploma/degree, have at least 3 years of current nursing work experience, and have basic computer skills. We have opportunities for both English-speaking and bilingual nurses.

Become a part of this rewarding nursing practice.
