

## Country croonin'

Jason Cashell from Kentucky, one of the visiting World Changers brought to the area by the Sanctuary Church, delights seniors at Allendale (centre) with his musical stylings during the group's swing through the GTA last week. At far right, group members and sisters Dayna (left) and Amanda Sweeney of Maryland join in the festivities. Group members ranged in age from 14 to 40, with 11 of them staying in Milton during their visit.

## Civic Holiday Waste Collection Notice Milton

Please Note Collection Day Changes  
**August 2003**

Monday	Tuesday	Wednesday	Thursday	Friday
4 Civic Holiday	5	6 Curb Appeal Moves to Tomorrow	7	8

Due to the Civic Holiday, waste collection services the week of August 4th will take place the day after your regular collection day. Please check your 2003 "Curb Appeal" Waste Management Calendar for details in your area or the Region's new waste management web site at [www.region.halton.on.ca/ppw/waste](http://www.region.halton.on.ca/ppw/waste)

Remember to Add these  
Items to Your BLUE BOX

Beating the heat with cool, refreshing beverages?

Please remember to recycle all your beverage containers: aluminum cans, plastic water bottles, TetraPak® drink boxes, juice and milk cartons, etc. All types of beverage containers are accepted in Halton's curbside, apartment and rural recycling programs.

Have a great summer!

## WATERMAIN CLEANING PROGRAM FOR 2003

Attention Residents of Milton on the  
Municipal Well-Based Water Distribution System

With the commissioning of the manganese filtration system at the Kelso Wells Pumping Station effective June 17, 2003, the Environmental Services Division of Halton Region's Planning and Public Works Department, and our contractor will be cleaning the watermains in the Milton well-based water distribution system commencing the week of July 13, 2003. The 2003 Watermain Cleaning Program represents the final phase in resolving issues of discoloured water in Milton. This work will continue for approximately 6 weeks.

When we are on your street or in your neighbourhood we regret that there may be some unavoidable inconvenience related to the cleaning process. In particular, discoloured water can result from the cleaning process, and to avoid having it enter your home/place of business please follow the steps noted below:

Do not use water between the times indicated on your blue letter, which we will provide to you approximately 2 days prior to working on your street.

When we are finished for the day on your street (times indicated in the blue letter) please turn on the cold water tap in your basement and let it run until the water is clear.

To keep informed of our progress, check the advertisements in this newspaper again and look for our blue letter in your mailbox for the dates we'll be working on your street.

If you have any questions please call the Planning & Public Works Department at ext. 7704, 7705, or 7706 and Regional staff will be available to assist you.
