257 Deaths

TAYLOR: Dennis James
Passed away unexpectedly at the age of 67, due to complications following surgery, at St. Joseph's Hospital, Hamilton. Dennis leaves behind Anne, his wife of 40 years residing in Campbellville, his sister Iris, brother in law Ted, four nieces and nine grand-nieces and nephews residing in England. Dennis started his working career as a mechanical engineer, and in mid-life made the switch to horse farmer at their Campbellville farm, an occupation which allowed him to indulge his love of animals. Dennis was an active volunteer for most of his life in activities ranging from animal welfare, therapeutic riding, professional and civic committees. He was well known in social circles for his quick wit and repertoire of jokes. At his request there will be no Funeral. Donations in his memory may be directed to the Midland SPCA 15979-Box 48, Midland, Ontario L4R 4K3. Rest in peace, Dennis, you will be missed. Arrangements through the **J.SCOTT FUNERAL HOME**, 21 James St., Milton (905) 878-2669.

"BUFFY" HAWKINS - A VERY SPECIAL CAT
Dr. Debbie Hawkins, of Hawkins Animal Hospital, is very sad to announce that "Buffy" the Hospital Cat, passed away, at home and in Debbie's arms, on the evening of Wednesday 30th July 2003. She was seven years old. She suffered a heart attack, after a short period of illness. We know that many of our clients loved Buffy so much, and many would just come in to say "hello" to her. Clients often brought her gifts, and children would send her cards, and draw pictures of her. She was truly loved by so many people. Buffy's character was unique. She was very "in charge" and really believed that she owned the place. Every evening we had to hide all the catnip toys and catnip blankets which were on the front counter for sale, as she believed they were all for her. One of her amazing special gifts was her ability to comfort pets when they were so ill. On an almost daily basis, she would lie alongside a canine patient on a post surgery recovery blanket, and not move until she thought "everything was alright". When, on those very sad days, we would have to put to sleep a sick pet, she would barely through the swing doors to the treatment room and console the patient, rubbing their head with hers. She was incredibly intuitive. Many clients have witnessed this special moment, and like us, have been very, very moved. Buffy will be greatly missed.

Remembering Jacoba (Coby) Cook

A great Mom & Friend

09/11/1946 - 08/04/2002

It's been a year since you've been gone, though it feels like yesterday. The days seem longer and the night feels colder. Words can't describe how much you are loved and missed. You'll always be the strongest person I know. When you were diagnosed with cancer 12/16/2001, our lives were shattered. You fought hard & kept strong but with every ounce of fight you lost the battle on 08/04/2002. You were 55 and too young to die. Your love, dedication, support & patience to your daughters will never be forgotten. Raising 5 children on your own was tough. After Dad passed away in 1986, you raised daughters who are hardworking, caring & compassionate and are proud to say you were the best mom. Milton has lost an incredible woman who was dedicated to helping children learn, helping people in need and volunteering in the hospital. Your legacy in schools and in your daughters will always be cherished.

Love Marcia Cook
