

Swim for Safety.

A swimming pool is the place to be in the summer. Just remember that it's a place to be safe as well. Follow these tips and everyone will enjoy a long, safe summer in the pool.

- Never leave children unattended in or around the pool.
- Install a fence with a locking gate around your pool.
- Post and enforce rules such as "no running" and "no pushing."
- Learn CPR.

Mall holds stuffed toy collection for children

From a child's point of view, every situation seems better when hugging a cuddly teddy bear.

Unfortunately, not every child has a teddy bear — and Milton Mall wants to help change that with its fourth annual teddy bear drive.

From today until August 28, Milton Mall is collecting new and gently used stuffed toys for Good Bears of the World, Canada.

This year, organizers are hoping to fill a school bus with more than 3,000 teddy bears and other huggable stuffed toys.

Good Bears of the World Canada distributes the animals to trauma victims in hospitals and emergency care centres.

Overseas, the huggable friends have found their way into the arms of needy children via the Canadian Armed

Forces and the Navy.

Donations can be dropped off at the school bus, located near Shoppers Drug Mart, at Milton Mall.

We're ensuring her care and your peace of mind.

That's why we're building new long-term care facilities.

Over the past few years, new and renovated facilities have been going up throughout the province. So seniors requiring 24-hour care can get it in a well-run, well-equipped facility — one that does everything in its power to help seniors feel at home.

The fact is, our population is growing and aging, and Ontario is working to ensure that all our seniors' long-term

care needs are met — now and for years to come.
