Hi. I'm Patricia Corley. I lost 105 pounds of fat with hypnosis. My dress size plunged from a bulging 24 1/2 to a sleek size 8 in ten short months.

### The Diet Rollercoaster

I went on every weight loss scheme.

Tried the grapefruit, egg, special soup, all protein, all vegetable, only starch high fiber and all fruit diets. Spent a fortune on tasteless prepackaged food. Went to support groups. Starved on protein shakes. I even guzzled down straight vinegar praying it would help me lose weight. The result was always the same. I would lose weight slowly, then quickly gain it back plus more. I was ashamed and embarrassed. I had

lost all hope.

### Instant Results

I was amazed by the change after my first session. My brain got the message to zap my

appetite. Hypnosis gave me instant control over my eating habits. my cravings

came to a dead-halt stop. Binges dissolved. My confidence and self-esteem soared. my fat melted off at an average 3.5 pounds a week.
