School bus orientation sessions set for Aug. 23

Hop On Board With School Bus Safety.

While you're on the school bus, follow these simple safety rules:

- Remain seated throughout the ride.
- Keep your arms, hands and head inside the bus.
- Keep your belongings away from the aisle.
- Do not distract the bus driver with loud noises or sudden movements.

The first day of school can be a jarring or even scary experience for some young children, so both school boards in Halton are teaming up to at least take the mystery out of the bus ride.

The annual School Bus Orientation Day will be hosted by the public and Catholic school boards and various school bus companies Saturday, Aug. 23.

Sessions are free

The free orientation sessions are geared to put junior and senior kindergarten pupils and their parents at ease about bus safety issues.

Starting at 9 a.m. at six different schools across the region, school bus company safety officers and bus drivers will talk to groups of children about getting on and off a bus, proper behaviour on a bus, crossing the street to get a waiting bus and general school bus safety.

A tip sheet on school bus safety will be distributed at the orientation sessions. There will also be classroom presentations.

The seminars are being held locally at Bishop Reding Secondary School. To register students for a specific time slot call (905) 877-2251.
