### Important West Nile Virus Information

#### Risk of West Nile virus infection increasing

Local monitoring indicates that the risk of Halton residents becoming infected with West Nile virus has increased, particularly in south Burlington and south Oakville. Therefore, it is especially important to protect yourself and your family from mosquito bites. Although many people associate Labour Day with the end of summer, mosquitoes continue to pose a threat until colder weather sets in.

## Country Heritage Park to get musical Sept. 14

Country Heritage Park will get a little jiggy September 14 with the Grassroots Music Festival.

Running from noon until 8:30 p.m., the fundraising event for the Deidre and Friends Foundation — which supports those with aplastic anemia — will feature a host of music stylings, including those of Canadian Idol contestant Burcu.

Milton's own Lost Boys will make an appearance, while also performing at the afternoon and evening festival will be Elton John Tribute band Benny and the

Jets, Beamsville's Sweet T and Debbie Bayshaw — who's opened for Garth Brooks.

Advance tickets cost \$15 for adults and \$5 for children 6 to 14 years of age. Admission will be \$20 for adults and \$7 for children at the gate.

The Deidre and Friends Foundation is also looking for corporate sponsorship for the event.

Those wishing to buy advance tickets or make a donation are asked to call Clem Scholtz at (905) 878-3401.

## Southside Church set to host African youth choir Sept. 17

Young visitors from the Dark Continent will bring an energetic and inspiring message to Milton September 17.

They'll do so through the African Children's Choir, which begins at 7 p.m. at Derry Road's Southside Community Church.

The group of 6 to 12-year-old ambassadors will share their joy and exuberance through an evening of songs and storytelling.

The concert is free, although goodwill offerings will be accepted and go toward supporting members of the choir.
