Not a day goes by that I don't think of you You touched every person you met You were an angel down here on earth You've been an angel in heaven for ten years now It's hard to believe that so much time has past It feels like yesterday that you were here Making us laugh and making us better people That's what you did Keith You made us all better people I will never forget such an amazing guy I'm so glad that I had the privilege To know you and to be your friend Thank you for touching my life Keith
