Construction milestones

The Milton Sports Centre was completed in just ten short months from the time construction began to when doors will open to the public in early October. The construction proceeded according to schedule in spite of a harsh winter, wet spring, the servicing work to complete Santa Maria Boulevard and the region's installation of a water main on Derry Road:

Contractor hired	October 2002
Construction begins	November 2002
Work starts on pre-engineered steel structure	February 2003
Roof deck installed	March 2003
Concrete poured for south rink	July 2003
Concrete poured for north rink	August 2003
Ice plant cools rink floors, ice is produced and floors open to users	Early October 2003

"DOUBLE VISION" Grand opening

SATURDAY, NOVEMBER 1, 2003, 11 am - 3 pm

Join us to experience the Milton Sports Centre to the fullest with these fun-filled activities for the entire family:

- Free skating
- Children's activities
- Guided facility tours
- Great DJ Skate for 9-13 year olds (6:30 - 9 pm)
- Contests
- Musical entertainment
- Sports demonstrations
- Hockey game

More details coming soon - visit www.milton.ca

We're still working

We are opening to our skating and hockey groups in early October so they can take full advantage of this ice season. Watch as we continue with some finishing touches to the Centre with signage, landscaping and other enhancements.

Future phases to be developed 2003-2009

- Two additional ice rinks with dressing rooms (for a total of four ice rinks!)
- Indoor swimming pool
- 90-acre park development south of the site to include soccer fields, ball diamonds, walking trails, playground and spray pad (already home to the Milton Tennis Club)

Who to call?
