YOU CAN GET PAST YOUR PAST

It breaks up homes, estranging husbands and wives. It alienates parents and children. It causes people in the workplace to have difficulty getting along. It interferes with unity in the church.

What is the culprit? Bitterness.

Bitterness is unresolved anger. It results in feelings of resentment. It involves an attitude that says, "I will not forgive! I will not be reconciled!"

Harboring unresolved anger carries some serious ramifications: relationally, physically, spiritually and emotionally.

Bitterness will exact a heavy toll on a person's life. It diminishes the potential for greatness that every individual possesses. Positive, creative thoughts are replaced by negative, destructive ones. Good-hearted individuals become vindictive after swallowing a bitter pill.

Sadly, many are living with bitterness. The good news is that there is a cure!

As Jesus Christ bore the weight of the world upon His shoulders and was dying upon the cross of Calvary, He was offered wine mixed with gall. That bitter drink contained a minor sedative, and would have numbed the pain that Christ was experiencing. Although it would have helped to medicate his torture, Jesus spit out the bitter liquid after tasting it and recognizing it for what it was. He refused to go to the grave with any bitterness in his life.

Instead, the Saviour spoke the liberating words: "Father forgive them..." He knew that forgiveness brings healing. It brings wholeness.

Is there someone that you need to forgive?

Folklore related the story of a woman who was bit by a rabid dog. It was before there was an antidote against rabies and her dilemma meant certain death. When she was informed that the dog that bit her was rabid, the woman immediately got out a piece of paper and began to compile a list of people's names. When asked about her list,

she replied, "These are the names of people I plan to bite before I die!"

How many people do we know who are like this woman - individuals who have been destroyed by bitterness?

Beat bitterness! Spit it out and release blessing. Forgive others and allow healing to flow through your life. You may say, "You don't know what I have been through. It will take a miracle for me to be able to forgive!" Be assured: *The Lord still works miracles!* A personal relationship with Jesus does make a difference! You can get past with Christ's help!

Consider visiting a local church this week, and take the first step towards wholeness! Service times and locations are published in the directory below.
