Please call Sandy in Circulation **905-878-5947**

## The Regional Municipality of Halton

A Partnership That Works!

### NOTICE OF PUBLIC MEETING

### TRANSPORTATION MASTER PLAN STUDY

The Region of Halton has initiated a Transportation Master Plan Study to develop a dynamic integrated transportation strategy that considers all modes of travel. This study will provide Halton Region with the strategies, policies and tools needed to manage traffic safely, effectively, and cost efficiently and to offer a range of transportation choices to meet the needs of Halton residents. Ultimately, the Halton Transportation Master Plan Study will result in a more liveable community that supports the mobility needs of residents, businesses and visitors in both the rural and urban areas of the Region. This study is being conducted in accordance with the requirements of Phases 1 and 2 of the *Municipal Class Environmental Assessment* (June 2000), which is an approved process under the Ontario Environmental Assessment Act. The study will define transportation opportunities, identify and evaluate alternative solutions (including alternative travel modes) and identify an overall transportation network to serve Halton Region for the next 20 years.

The first of three rounds of Public Information Centres (PICs) was held in June 2003 in each of the Region's local municipalities at which time input was received from the public on the Transportation Vision, the master plan process and evaluation criteria.

The study team is currently conducting a review of alternative transportation solutions including transit and roadway alternatives for the Regional road network and will be presenting the preliminary evaluation results at the second round of Public Information Centres (PICs), which will be held in each of Halton Region's local municipalities at the following locations and dates:

Municipality	Date	Time	Location
Town of Halton Hills	September 30, 2003	6:00 p.m. to 9:00 p.m.	Town of Halton Hills, Council Chambers 1 Halton Hills Drive
City of Burlington	October 9, 2003	6:00 p.m. to 9:00 p.m.	Travel Lodge Burlington on the Lake - Nelson Room, 2020 Lakeshore Road
Town of Oakville	October 15, 2003	6:00 p.m. to 9:00 p.m.	Region of Halton - Cafeteria 1151 Bronte Road
Town of Milton	October 16, 2003	6:00 p.m. to 9:00 p.m.	Bishop Reding Catholic Secondary School - Cafeteria 1600 Main Street East

**A presentation will take place at 7:00 p.m., followed by a workshop.** Local staff will be present to discuss the status of transportation studies and initiatives currently being undertaken by the local municipalities. If you have any questions related to the study or wish to be added to the study mailing list, please contact:

Edward Soldo, P. Eng.  
Manager, Transportation Services
