

Local Heart and Stroke Foundation chapter council members include (from left) Ed McPhail, Robert McGaghran, Ginny Styan, John Bain and Barbara Mallalieu.

Heart and Stroke chapter earns top revenue award

The Milton chapter of the Heart and Stroke Foundation has won an award for its increase in revenue.

The Doug Sheppard Award is given by the Heart and Stroke Foundation of Ontario to the chapter council with the highest percentage increase in revenue per capita over the previous year.

Revenues for the chapter's 2003 fiscal year were \$99,706, an increase of 23 per

cent over the previous year.

The majority of funds raised are used to support Heart and Stroke-funded research and community health promotion programs. Only 3 per cent of revenue is spent on administration costs.

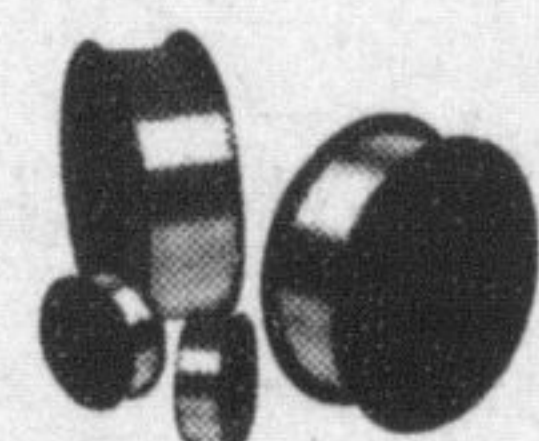

Local chairperson John Bain said the council appreciates the generosity of those who have supported the Heart and Stroke Foundation in the Milton area.
