**Junior Electrical Technologist**

Guardian has an immediate need for a good person like you to join our TEAM! If you are eager to join a winning team in a growth position, we would like you to come in and complete an application.

This is a "hands on" position that provides support for the maintenance and operation of electrical/electronic equipment on a continuous flow process line. Good work experience and background or education is necessary in order to assist and quickly learn installing, troubleshooting and maintaining equipment in an industrial manufacturing environment. This position requires a mechanical aptitude, experience in electrical schematic design using CAD and hand drafting, good work references, a "can do" attitude, ability to effectively work with maintenance and production, and a understanding of production urgency. Project management and mechanical engineering experience are definite assets.

Our employees enjoy the stability of their jobs and work for one of the very best in the fiberglass manufacturing business. Are you a dependable, dedicated and safety conscious person? Send resume with reference information and salary requirements to:

**Guardian Industries Canada**  
300 Main Street  
Erin, Ontario N0B 1T0  
Fax: 1-519-833-9749  
Email: [cjohnston@guardian.com](mailto:cjohnston@guardian.com)

(1/2 hour east of Guelph on Hwy. 24/County Road 124)

No telephone calls please. Only those selected for an interview will be contacted.
