

Customers line up

• from MALL on page 1
We've been trying to help people out as best we can. It's been challenging. We have a whole bunch of new customers."

Lois Rigby was standing in line carrying a few parcels. She said she started out at the mall and turned back when she saw the sign saying the

outlet was closed.

Was she curious why it was closed?

"I was more annoyed," she said. "It (mall location) was so handy. I have to get these cards out to England."

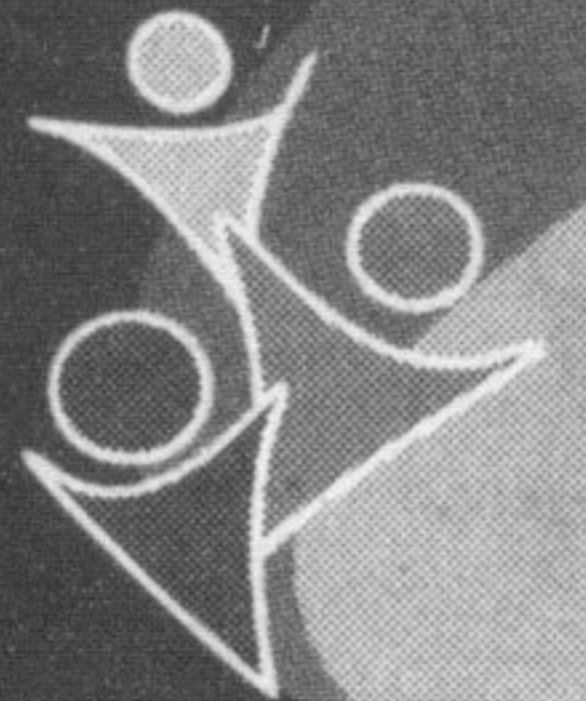

Stephanie Thiessen can be reached at sthiesse@milton-canadianchampion.com.

Work of art

E.C. Drury High School students (from left) Derek Farrell, Andrew Kerr, Luke Kingdom and Josh Matier show their part of a mural created by 40 local students at Country Heritage Park in conjunction with the pageant 'On the Way to Bethlehem' held over the weekend.

NOTICE OF PUBLIC INFORMATION CENTRE #2

New Burloak Water Purification Plant Class Environmental Assessment Study

Halton Region is conducting a Class Environmental Assessment Study related to the construction of a new drinking water purification plant.

The site for the new plant, at Rebecca St. and Great Lakes Blvd. in Oakville, was presented at a Public Information Centre in June 2003.

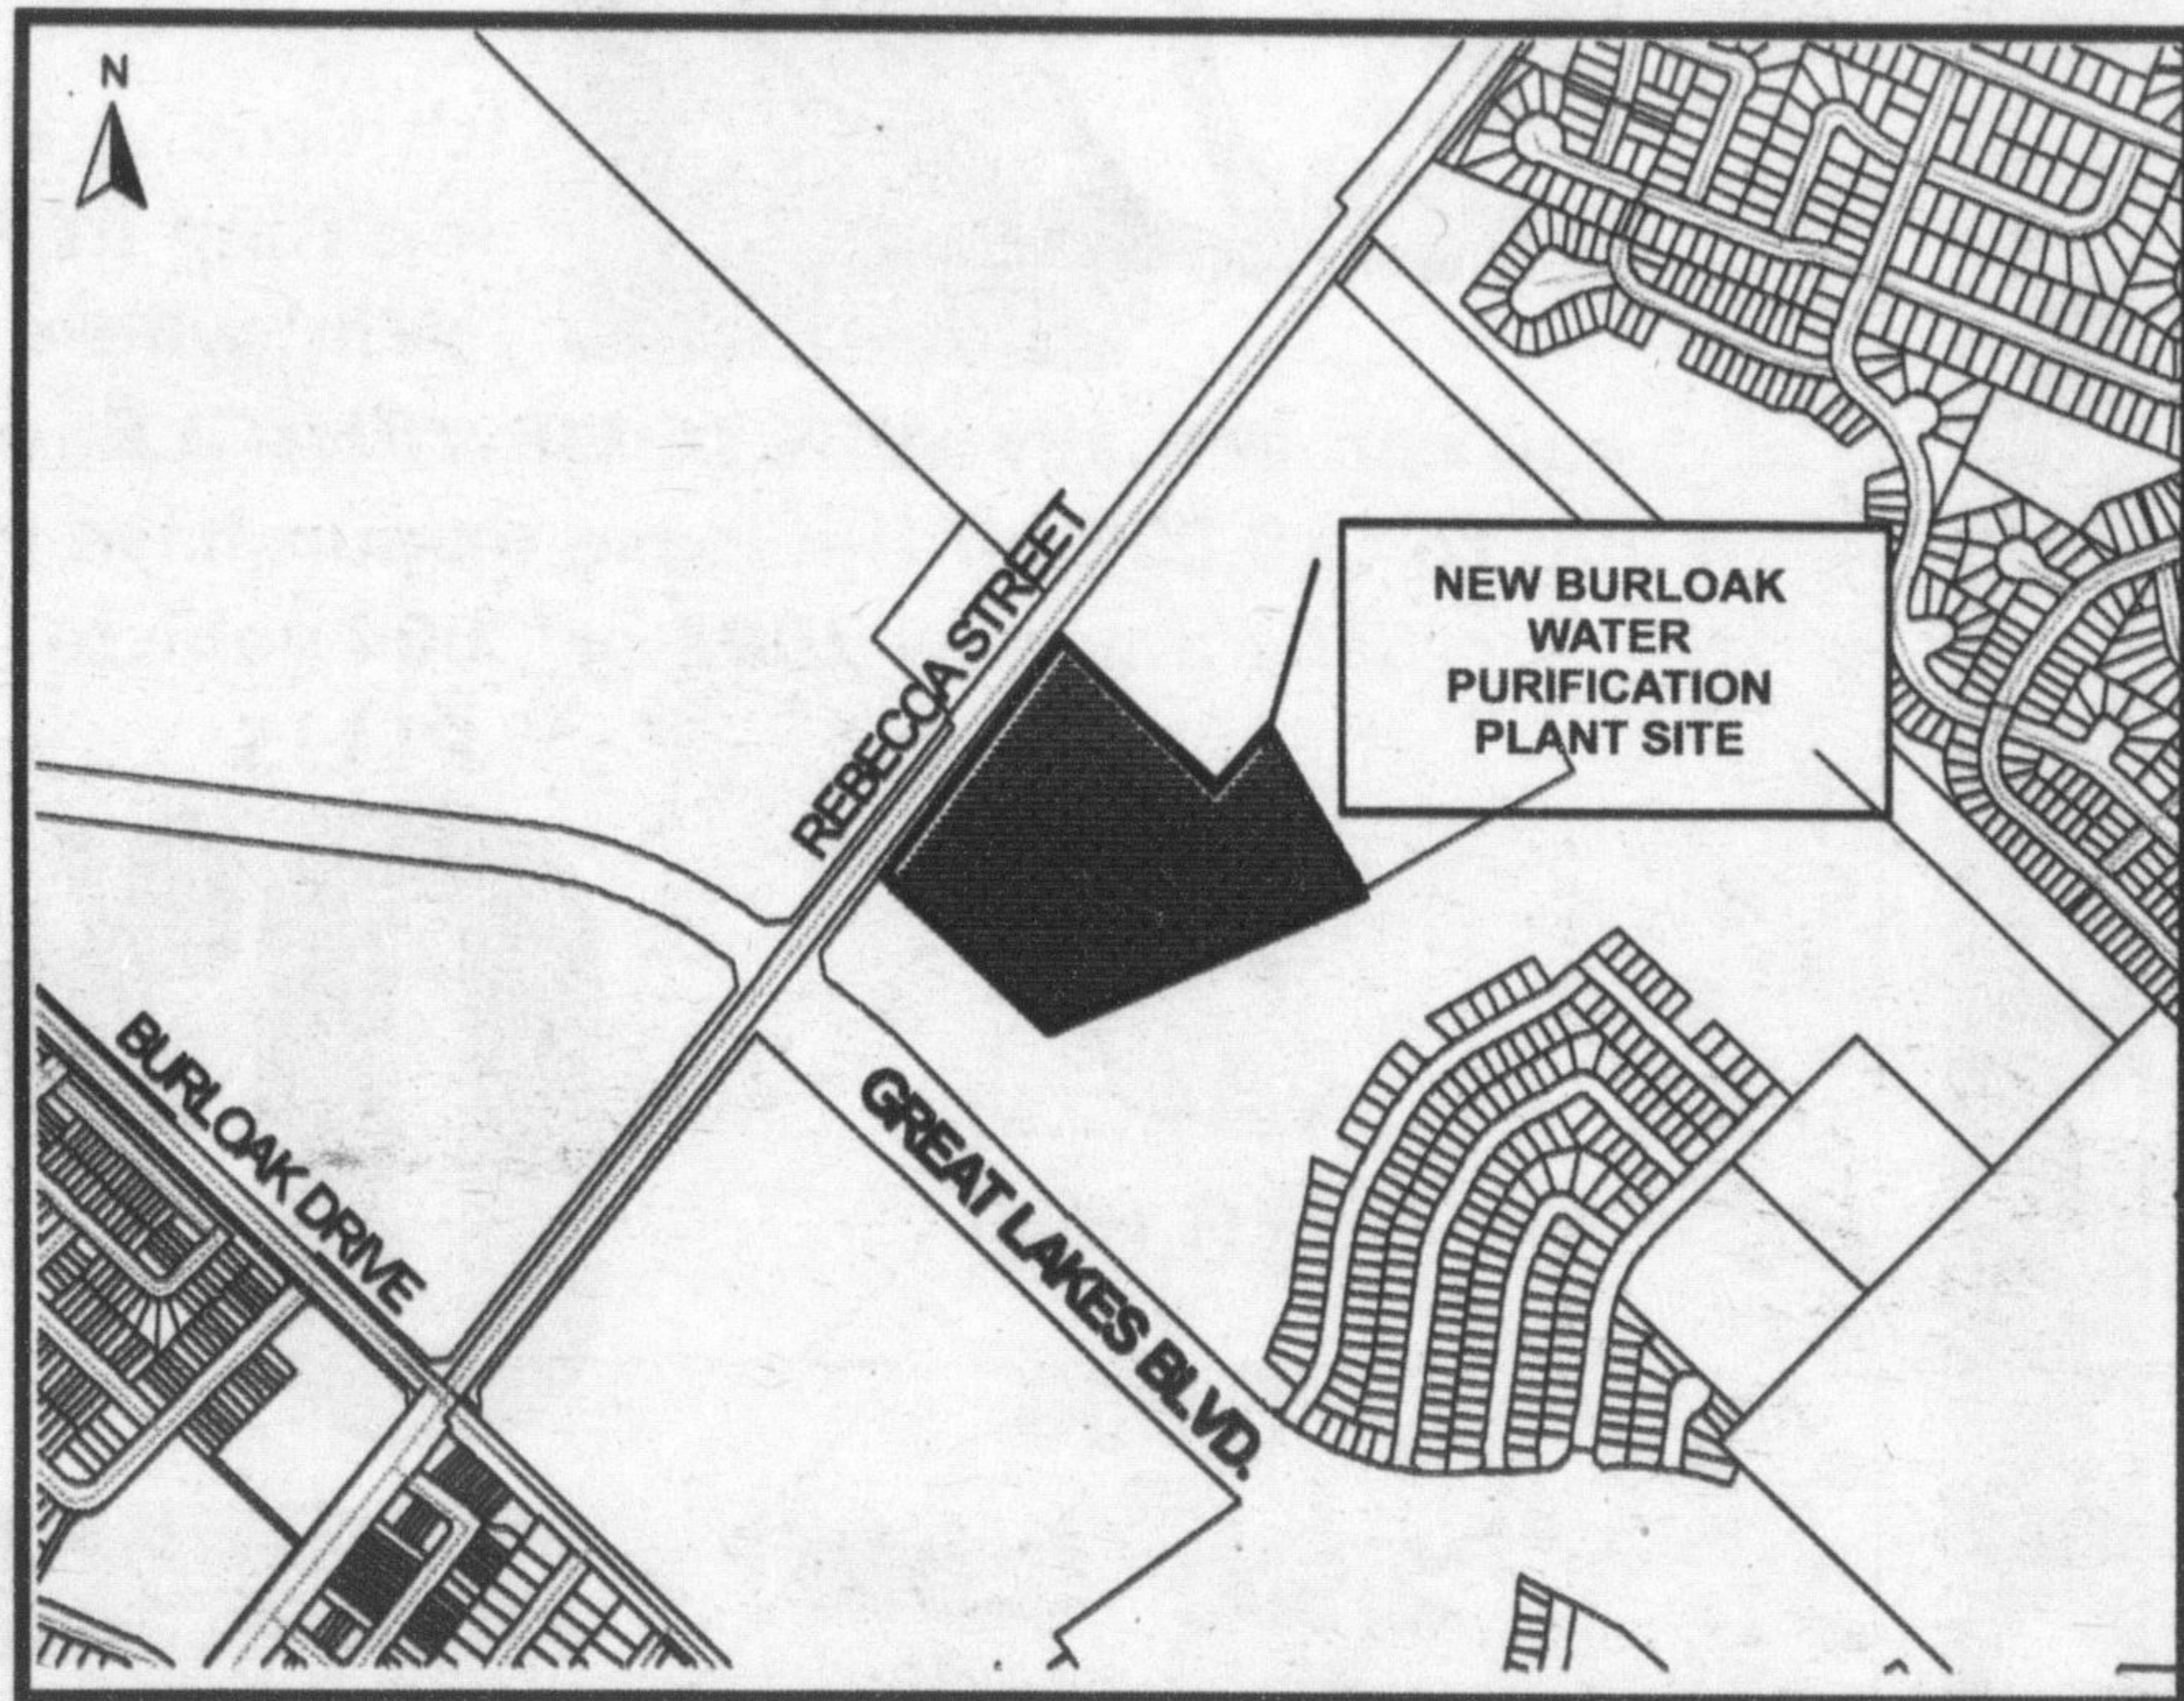

The new facility will incorporate a new raw water intake pipe in Lake Ontario, a water transmission main and a pumping station in addition to the main plant facility.

The next phase of the Environmental Assessment will assess potential water treatment technologies, and provide conceptual designs for the plant based on the technology options. A second Public Information Centre has been scheduled to provide the public with an opportunity to meet the project team, and discuss any issues related to the project, including the water treatment strategy, the design of the plant including its exterior appearance, and any potential concerns about neighbourhood impacts.

We encourage you to join us at the Public Information Centre:

Date: Thursday, December 4, 2003
Time: 5:30 pm - 8:30 pm
Location: Woodlands Operation Centre
 1179 Bronte Road, Oakville
 Oakwood Room
