

Milton Success Stories

Karen's Flower Shop has been in the family since 1966!

Karen's Flower Shop has been family owned and operated for the past 37 years. The business was established in 1966 in the Milton Plaza. Further expansion in 1986 led us to our current location on Laurier Ave. Our objective is to provide customer convenience. We offer ample parking, coupled with an attractive storefront displaying many varieties of blooming and tropical green plants. Our large cooler boasts an extensive selection of seasonal and exotic fresh cut flowers, as well as unique floral centerpieces. These can be purchased in-store, or custom designed to suit your needs.

Fresh floral product is purchased from Toronto's "Dutch" style auction several times a week, and wholesale delivery trucks visit the store daily, providing customers with only the freshest merchandise.

We offer a wide selection of decadent Belgian chocolates, blown glass ornaments and gourmet items that make the perfect holiday, hostess or housewarming gifts.

This year's Christmas selection includes Teleflora's Thomas Kincade Chapel Bouquet and the Waterford Holiday Heirloom Bouquet, presented by FTD.

These arrangements add a special touch to festive table settings. Come in to view these and our other holiday centerpieces.

Karen's Flower Shop has been a member of FTD and Teleflora for more than 30 years. This association allows us to send flowers in Canada, the US and Internationally. We employ delivery personnel to service Milton and surrounding cities, including Burlington, Mississauga and Oakville, making it convenient to send your message through flowers anywhere.

We are committed to providing you with quality, freshness and style, and look forward to working with you to create personalized designs for every holiday event.

We are open to serve you 7 days a week during the holiday season, including evenings.
