

✓ Say it with a card

Nine-year-old Desiree Scholtz holds up three of the four varieties of Deidre Doll Christmas cards she was selling at the recent Community Bazaar at Milton Mall. Proceeds from the sale of the cards go to her sister Deidre's foundation — Deidre and Friends — which supports bone marrow research and community awareness.

Help light MDH's 'Tree of Caring'

The Milton District Hospital Foundation will hold its annual Tree of Caring lighting ceremony to thank the many 'angels in disguise' that have helped the hospital.

The ceremony will take place next Tuesday from 7 to 9 p.m. on the front lawn of the hospital and in the front lobby. The hospital is located at 30 Derry Rd. E.

The evening will feature entertainment by the Milton Choristers and refreshments, as well as a chance to see the beautifully-lit Christmas tree.

This is the foundation's way of showing its appreciation to families, individuals, corporations and friends who believe in giving health and hope to others. It has also become a great way to usher in the Christmas season.

Every light on the Tree of Caring will represent the community's support of the hospital. Once again, the foundation is holding its Buy a Bulb program, which allows people to purchase lights for the tree. Funds raised will go toward a video gastroscope.

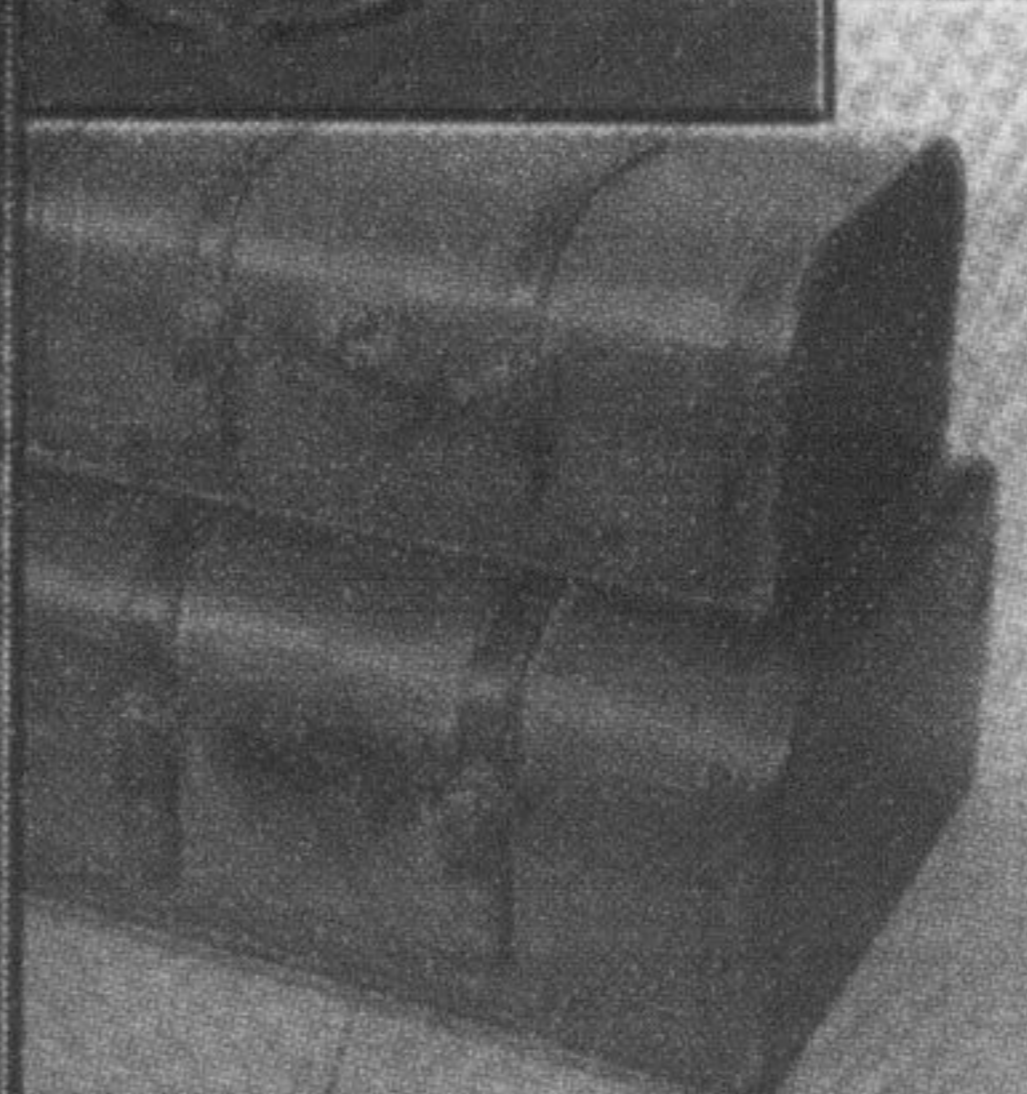

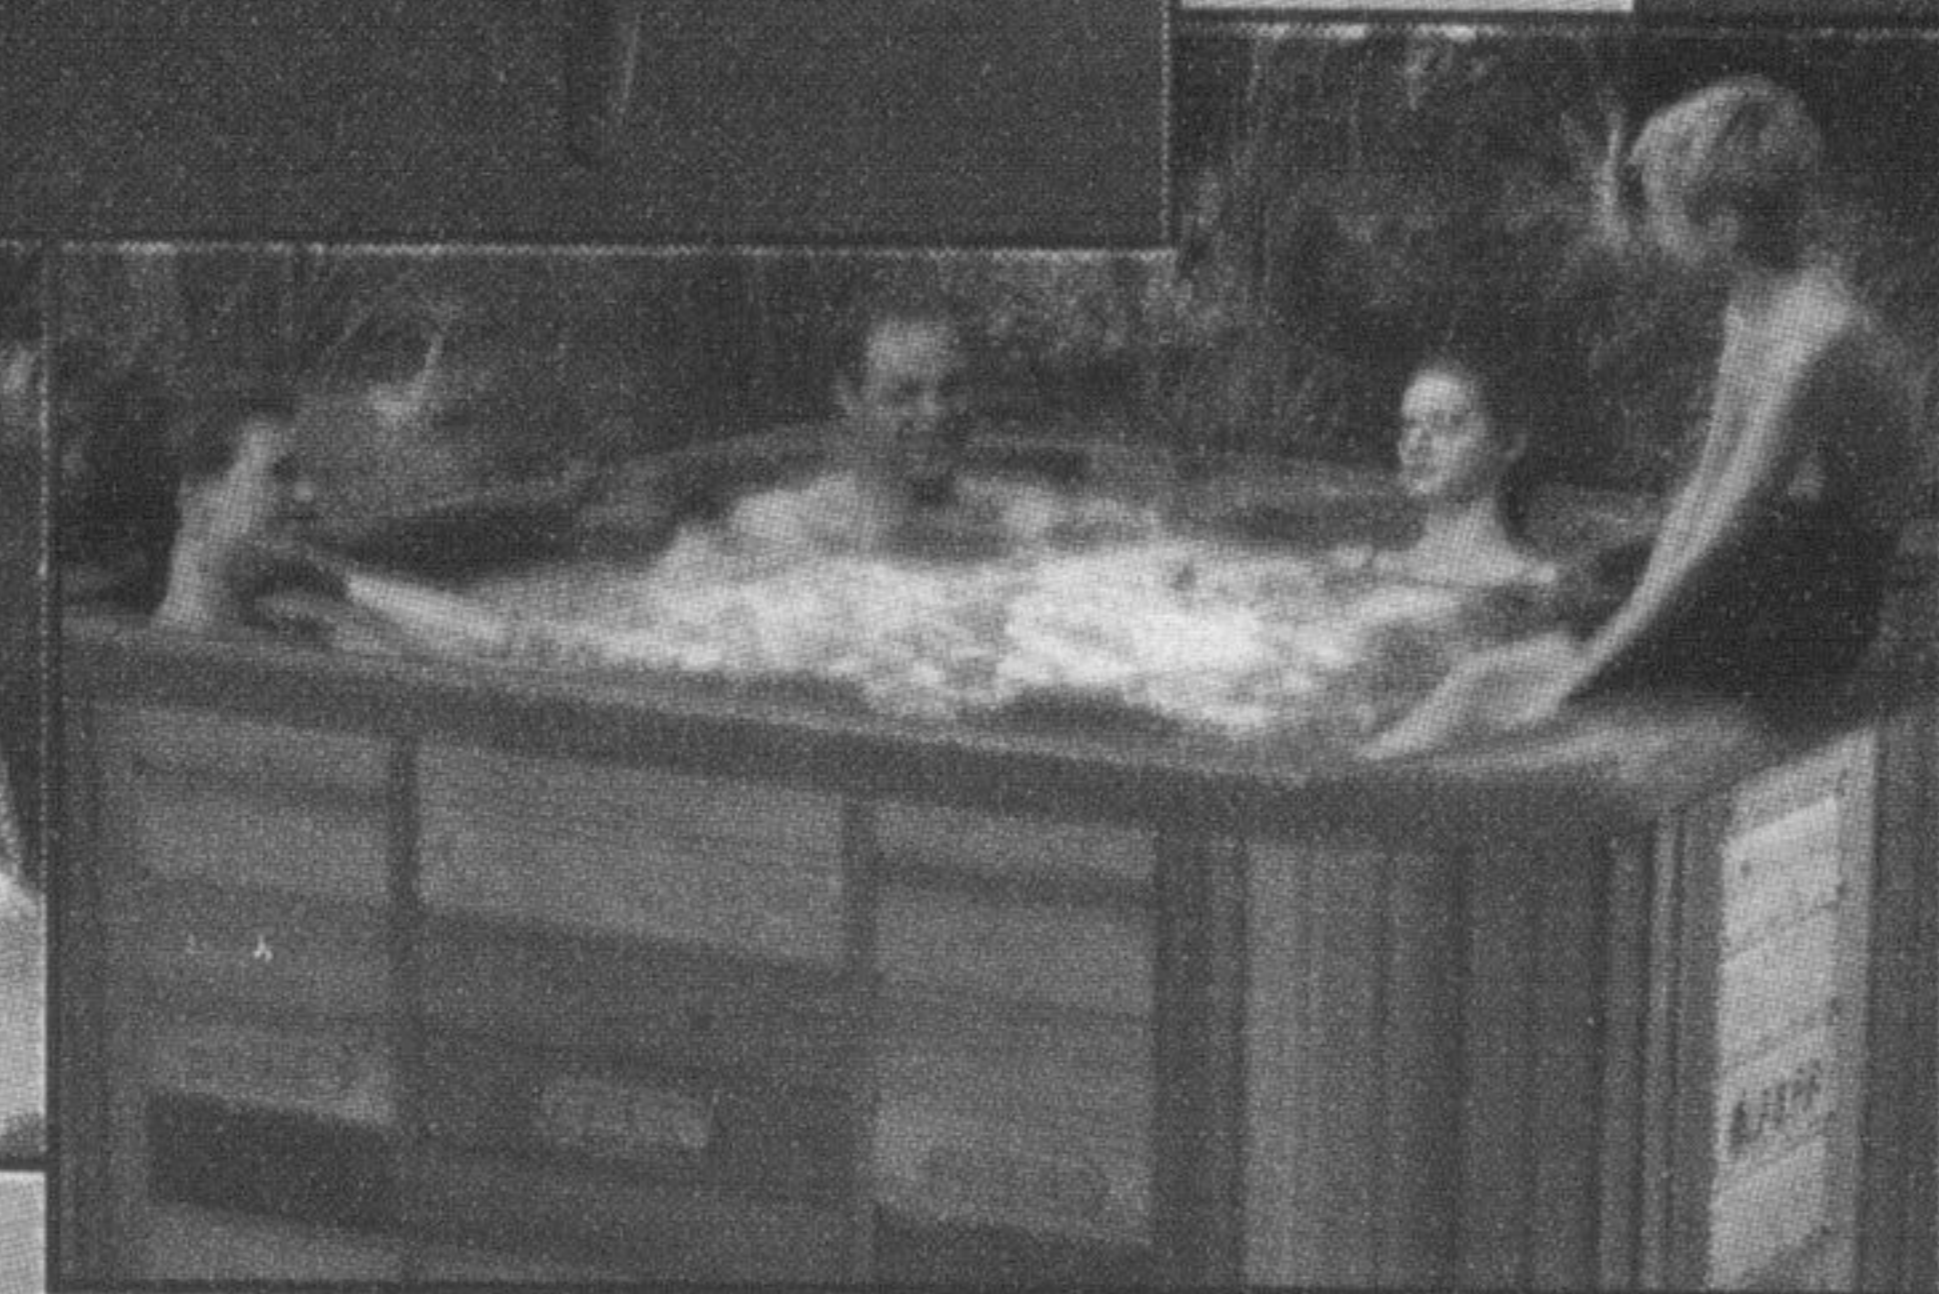

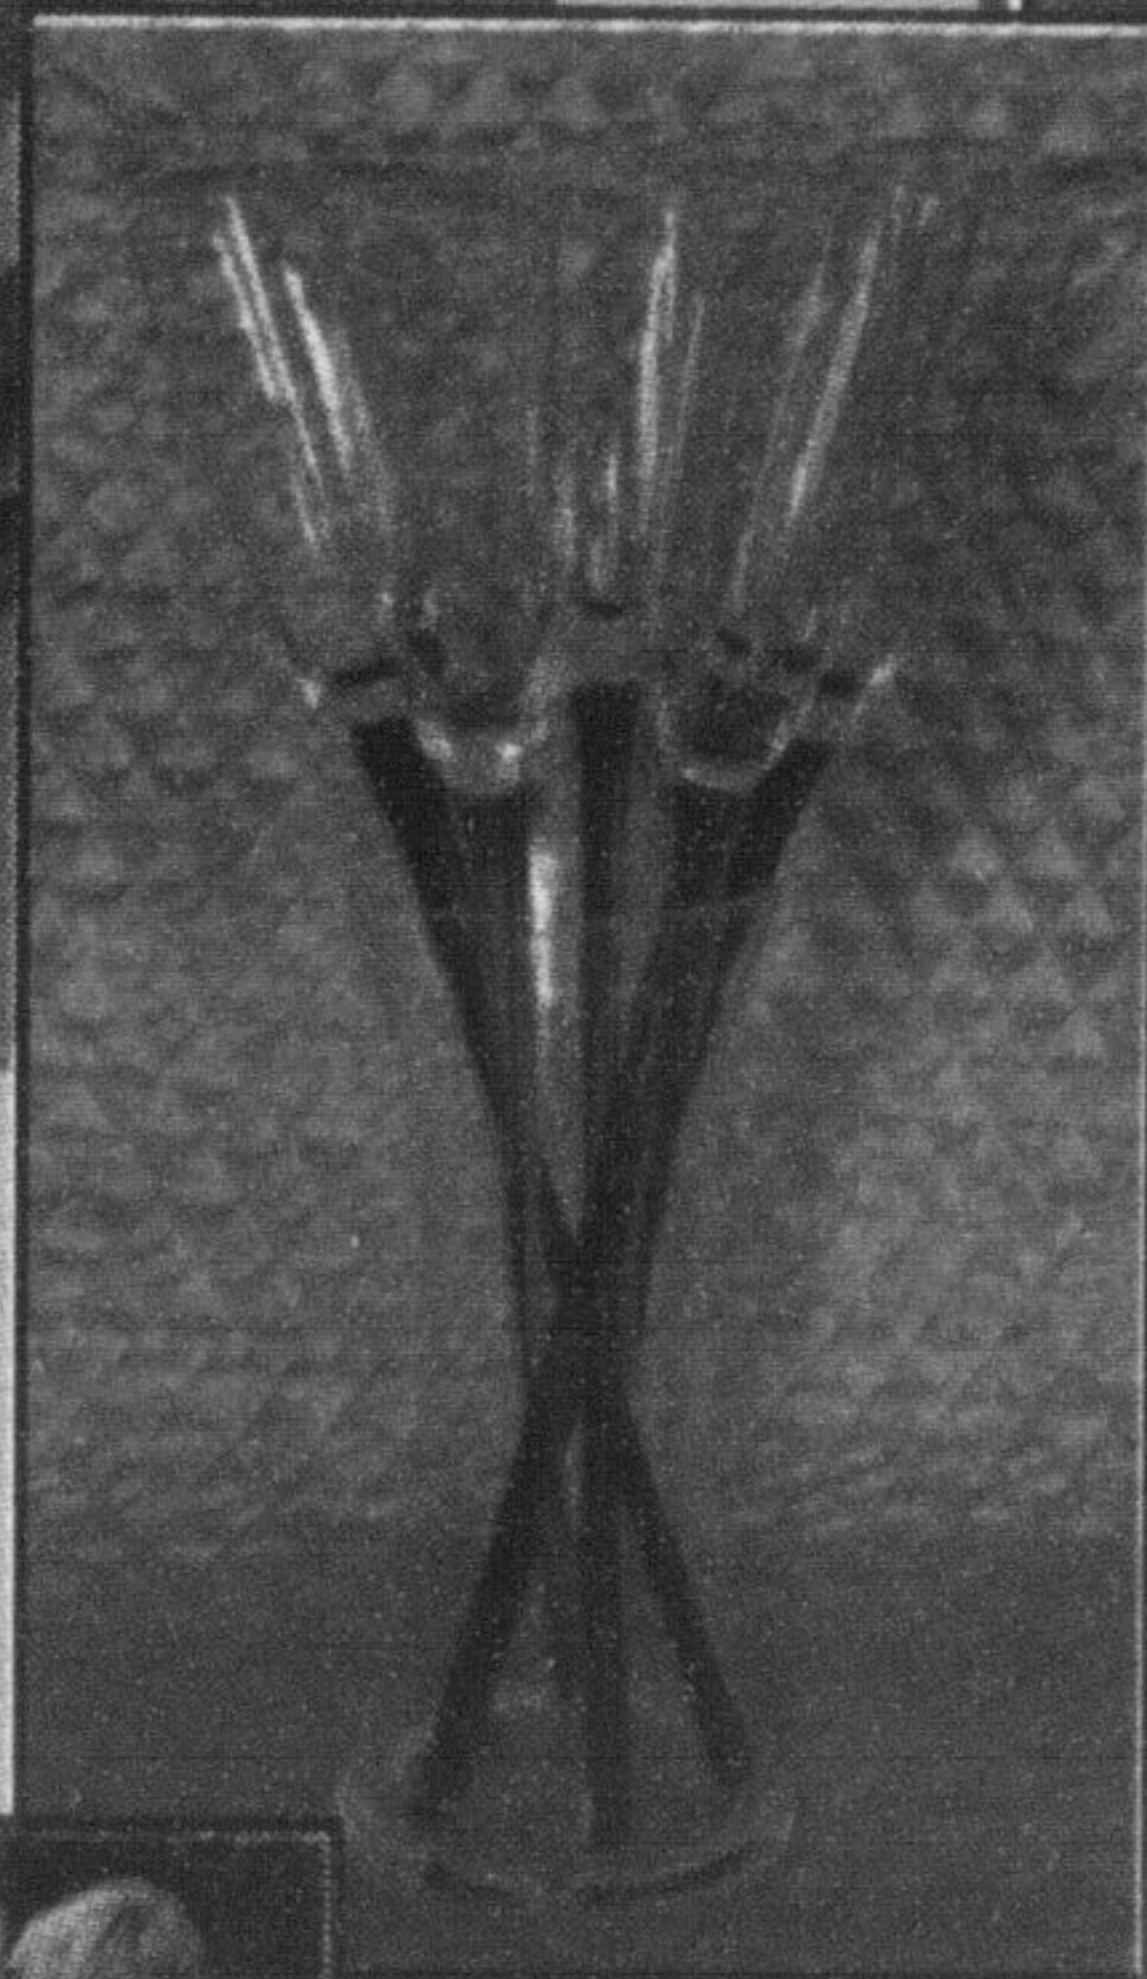

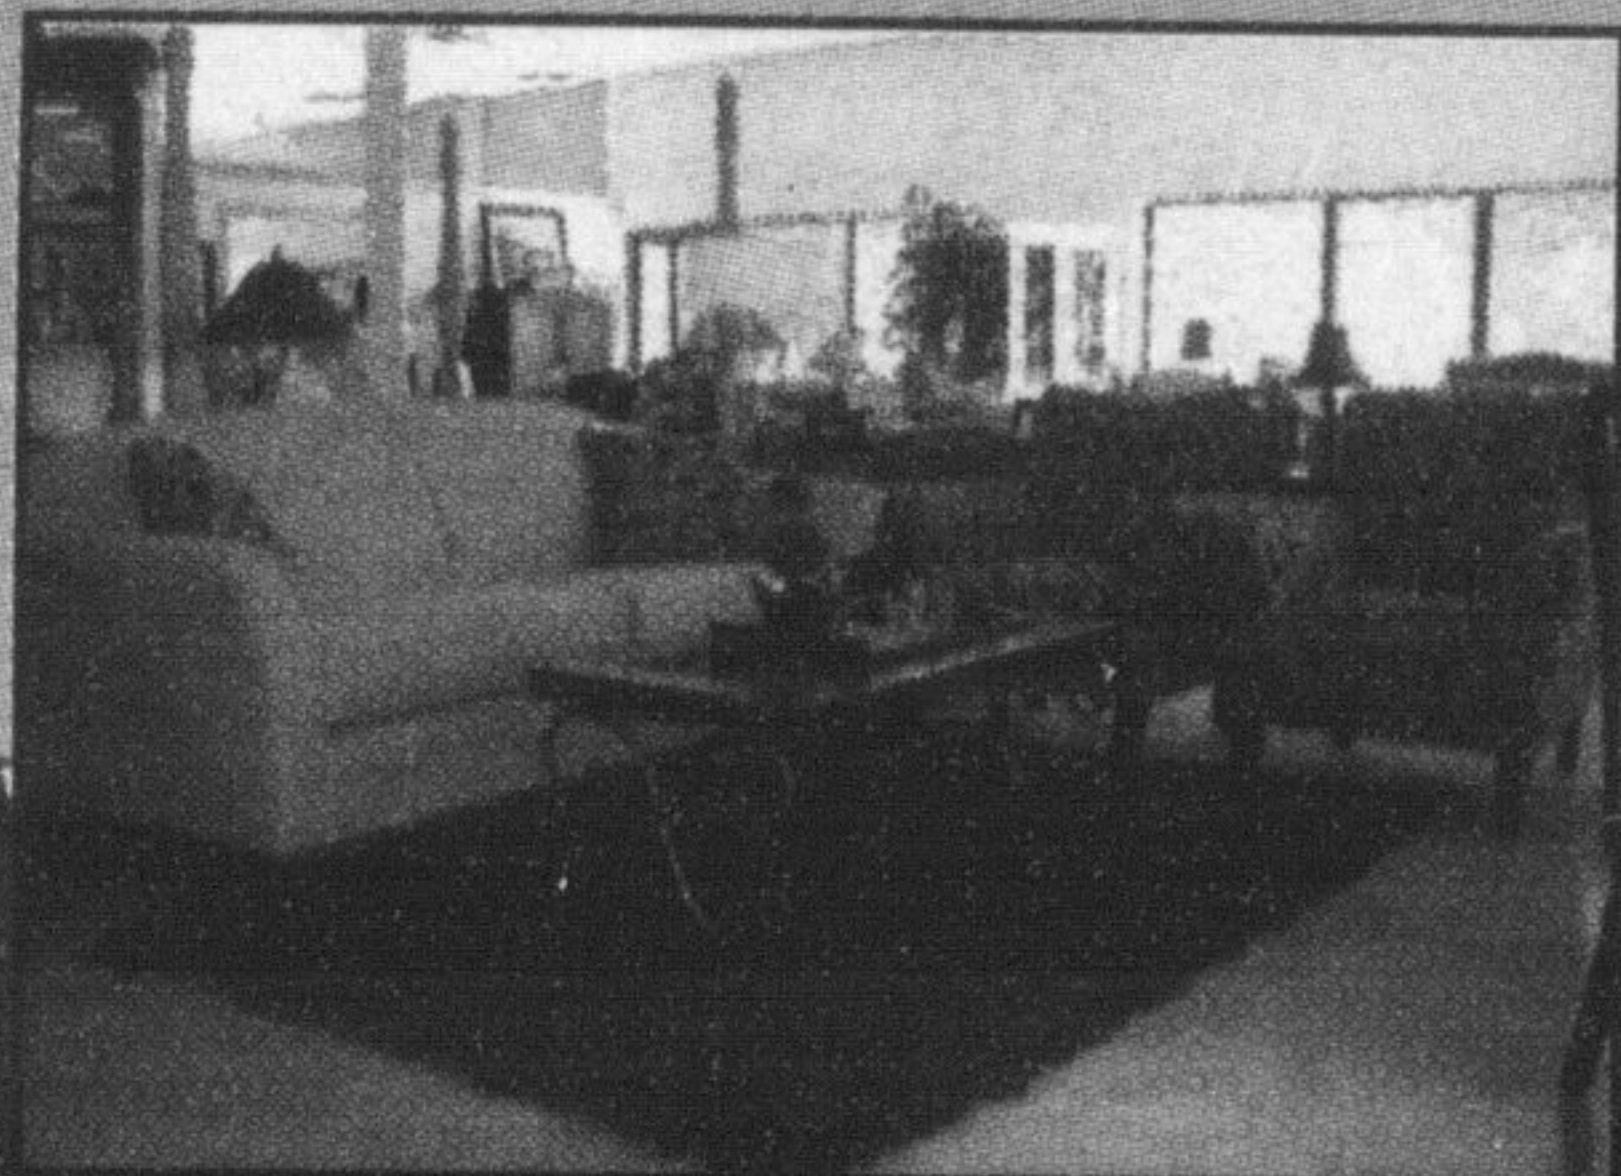

As part of the 'We Believe in Angels' campaign, each donor giving more than \$50 toward the tree lighting program will receive a wooden, glass or pewter angel Christmas tree ornament.

Donors giving \$200 or more will receive a Seagull pewter Angel of Dreams ornament — the first in a series of three limited-edition ornaments etched with the logo of the Milton District Hospital Foundation.

The donation can be made in honour of someone or in memory of a loved one. A separate Tree of Memories will be lit with white lights to honour those who have passed away.

For more information about the ceremony or to make a donation, call the foundation at (905) 876-7014.
