Arlene Dorval
In loving memory always
Dec. 8, 2002
It only takes a little space.
To write how much we miss you.
But it will take the rest of our lives
To forget the day we lost you.
Love "Momma", Gus & Craig

In loving memory of a very special Mother and Gramma, **Arlene Dorval (nee MacDonald)**, who was taken from us one year ago
December 8th, 2002

A special smile, a special face
A part of our family
We can never replace
Our hearts are full of memories
We treasure with care
The way you had to leave us
Will always seem unfair
We think of you daily
You are in every thought
It seems we lost the battle
That we so desperately fought
God saw you getting tired
And a cure was not to be
So he put his arms around you
And whispered "Come to me..."
Said are the hearts that love you
Silent are the tears that fall
Living our lives without you, Mom
Is the hardest part of all
In all that life has given us
And all that is left to do
We'll never have a greater gift
Than the time we spent with you.

Sadly missed and lovingly remembered
by your children Marilyn and Ted, Gregory and Becky, and your grandchildren Haley, Abigail, Thomas and William.

Arlene Dorval
May 30, 1944 - Dec. 8, 2002

Arlene a lot of people know the surface side of me, The side they see while I'm working Or just going through the day..... But there's another side of me - an inside - That people never see. It's a part that's full of a thousand thoughts, a part that embraces love and cherishes friendship, a part that understands without need for words, a part that has yearnings and desires and prayers. The inside of me has so many moods that the outside never shows. Arlene you were in my life and I in yours..... We trusted each other implicitly and we cared about each other in a totally understanding way. We both felt like it was okay to let that someone in..... To let them see us emotionally and physically As naturally and as naked as we could be. We gave ourselves to each other and told each other things that we never would have told another soul. You were the one person who has seen me trembling and as fearful as an injured bird, you are the one person I always wanted to take with me when I felt exhilarated and my spirits were soaring. I trusted you with my secrets, and you always knew that you could trust me with yours. This sharing..... this special sharing..... is the nicest dimension that my life has known. Arlene, you are truly missed by many but..... most of all by me, love Rome.
