

✓ Drumming up some support

The United Way of Milton's Jason Cain (left) and Mitchell Richard (centre) join Sobey's senior director Jeff Allen, as the local charitable agency was recently at the grocery store chain's Highpoint Drive distribution centre garnering support for its employee donation program.

IMPORTANT NOTICE
PARKING IN NEW SUBDIVISIONS

For your information, "No Parking Anytime" signs are presently being installed on one side of all local residential roadways with a pavement width of more than 8.0 metres in many of the new subdivisions. These 'No Parking Anytime' signs are being installed on the side of the roadway where the fire hydrants are located. Where the pavement width is less than 8.0 metres, parking will be prohibited on both sides of the roadway.

These signs have been installed in order to maintain an unobstructed passage for through traffic as well as access for emergency services and road maintenance operations (snow plowing, waste collection).

In order for the parking prohibitions to be enforced, signs must be placed at a distance of 45 -50 metres apart. Where possible, the signs will be attached to existing light standards.

These signs are being installed by the developer's forces under the authority of the appropriate by-laws, as approved by Town Council.

Should you have any further questions regarding signage, please contact Heide Schlegl, C.E.T. Coordinator, Traffic and Transit at 905-878-7252 ext. 2506. For enforcement requests please contact Halton Regional Police - Communications at 905-878-5511.
