Authentic Italian style and taste at Stecchino's Italian Eatery

Joseph Manchisi, part owner with his wife Christine, is a native of Bari, Italy. Joseph designed this restaurant and menu to reflect a real authentic style and taste that no other restaurant in this area has. The interior of the restaurant has been hand muralled by local well known artist Richard Posa, and gives the feeling of relaxing on an outdoor patio overlooking possibly somewhere on the Italian Amalfi Coastline. The special touches, such as the real masks from carnival in Venice, the Blue Marlin on the Wall (Yes, it is real!), and the mirror in the ladies room that contains 4,018 gold metal buttons add to the restaurant's already unique appeal and ambience.

The food is designed to bring forth authentic Italian quality, taste, flair, and style. Spaghetti and meatballs, this is not. THIS IS ITALIAN! The pasta and herbs used are all fresh and not dried. The sauces are a carefully selected blend of fresh herbs, wines and other ingredients that are sure to please any palate.

The menu is a selection of fine Italian thin crust pizzas, pasta dishes, and a variety of meat and seafood dishes, with daily food and wine specials.

We are open everyday for lunch and dinner, Saturday & Sunday for breakfast and offer a full service off-site catering for any occasion, for any number of guests.

Call us about our New Year's Eve Party: 5 course dinner, DJ & dancing until 2 am. Sweet table and Champagne at midnight. Call us for further details or to book your reservations.

Come in and visit us for a dining experience we know you'll enjoy. Buon Appetito!

A Hidden Gem In Downtown Milton

with the business but prefers to keep a low profile.

Mike Mangotich, Anita and Max's son is a goldsmith and has also been involved in the store since 1989. With numerous jewellery programs under his belt, he does most of the repairs on site and can create "one of a kind" pieces on request. Mike has completed the diamond grading program with GIA and is working toward his certification as a gemologist.

Also on hand is Susan McDermott who has been with the store since 1994. With her vast background in retail and her winning smile, she is always ready to help you with your purchase for yourself or that special "someone".

Their part time employee is Amanda Kotack. She has been with the store for 2 years and is a 4th year student at Western University. Although she is at school in September, you can see her pretty face again when she comes back in December.

The newest employee is Liz Baines. Although she has only been with Halton Hills Fine Jewellery for a couple of months, she is

both knowledgeable and friendly.

Halton Hills Fine Jewellery carries an extensive line of 10, 14 and 18k gold and diamonds, pearls, gemstone jewellery, Citizen & Seiko watches, Wolf Design leather jewellery cases and Canadian made Seagull pewter. They offer free gift wrapping, free layaway and will clean your jewellery at no charge. They also offer a gift registry and the staff will be happy to work together with you on your wish list. Halton Hills Fine Jewellery won favourite Jewellery store in the 2003 Milton Choice Awards.

They take debit, VISA, Mastercard and American Express to make your shopping experience stress free.

Currently, they have many beautiful items for that special "someone." They will also be happy to wrap it up for you "free of charge".

Stop by Halton Hills Fine Jewellery and experience a downtown business at its best. You'll be glad you did!
