## Who Invented Christmas?

God did!

He wrapped the first Christmas present in swaddling clothes and celebrated in a stable.

He send the first Christmas greeting by an angel host and turned on the first Christmas light to guide the wise men.

On the first Christmas tree, God hung the gift of His Only Son and on the first Christmas name tag, He wrote:

"To a world with love"

If our greatest need had been information, God would have sent us an

educator.

If our greatest need had been technology, God would have sent us a scientist.

If our greatest need had been money, God would have sent us an economist.

If our greatest need had been pleasure, God would have sent us an entertainer.

But our greatest need was forgiveness, so God sent us a Saviour.

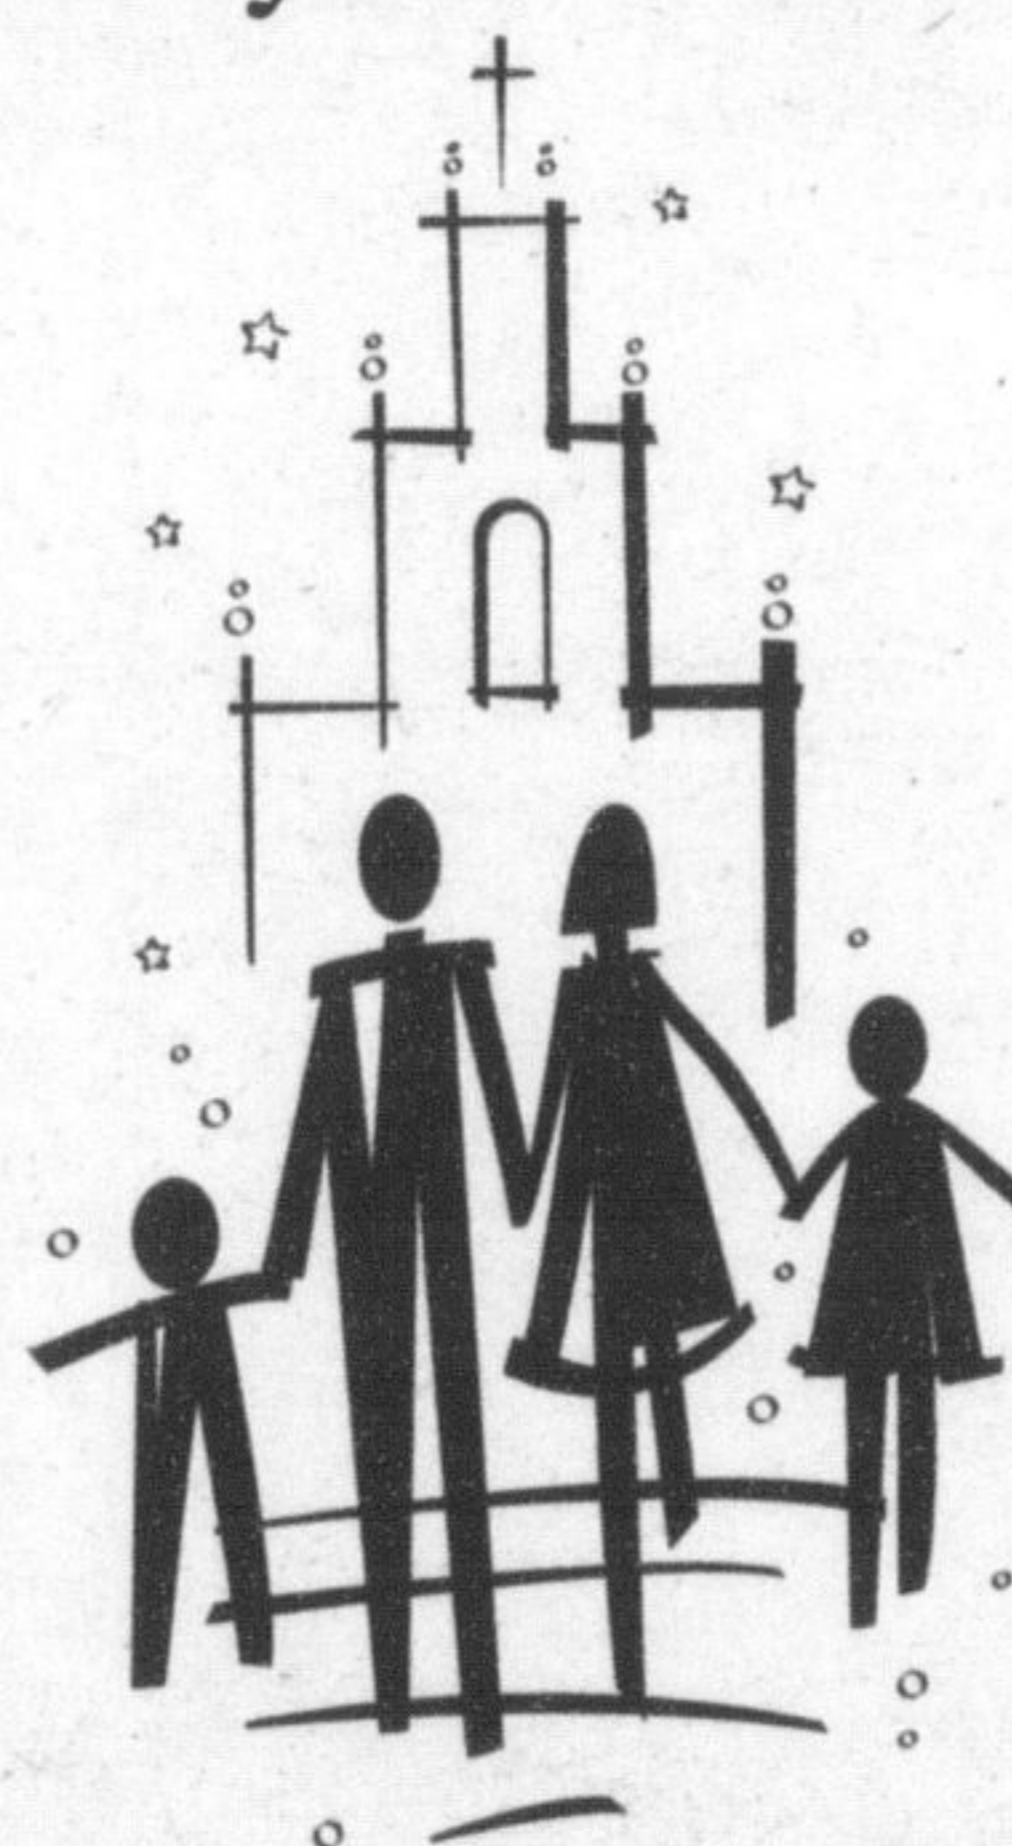

This Christmas, allow the true meaning of Christmas to explode upon your soul! Enjoy a Community

Christmas Event. Many churches have prepared special presentations which combine teams of musicians, choirs, actors, and congregation members to proclaim the message of God's love for humanity.

Something good will happen in your heart when

you hear the timeless message again! Plan to attend one of the many wonderful Christmas services at this area's local churches! Be sure to include Christ in your Christmas calendar!
