# 'AA' minor atoms dump first-place Battalion to prolong unbeaten run

Milton's AA minor atoms extended their current hot streak in giant-killing fashion Tuesday night, knocking off first-place Brampton 5-1 at John Tonelli Sports Centre.

The Winterhawks — unbeaten in their last six games — used a balanced attack and credible cage work by Justin Davidson to grab a little momentum on the Battalion for the upcoming Beaver Tournament.

Liam Robinson led the way with a goal and two assists, while also lighting the lamp were Matthew McPhail, Ross Morgan, Nicholas Garcia and Matthew Hunter.

Drawing three helpers each were Eric Schroder and defensive standout Liam Venerus. Ryan Klutt factored heavily into the win as well with a big physical performance.

The decisive win followed a 1-0 whitewash of host Guelph Saturday.

Brandon Bodiam earned the team's second shutout over the Storm, while Hunter capitalized on a nifty blueline play by Daniel Nickolitch for the lone tally. Venerus, Klutt and Mitch Adamson combined for exceptional defense while the scoring well ran rather dry.

The AA minor atoms will look to dispose of Brampton once again when the two teams hook up tomorrow afternoon at Milton Sports Centre. Game time is 3:30 p.m.

## Bantams on a roll

Fueled by a five-point explosion from Luc Hartwick, Milton's AA major bantams outdistanced Orangeville 5-3 Monday night at John Tonelli Sports

## Rep Hockey

Centre.

Aiding Hartwick's four-goals-and-assist output with his first marker of the year was defenceman Justin Bayley. Brent Trull offered spirited play, while in net for the win was Joey De'Athe.

The Winterhawks scored four unanswered goals to put their guests away after an evenly-matched first half.

In Guelph Sunday, Milton turned up the heat after a fairly lacklustre start to sink its hosts 5-2.

Nick Nevins backstopped the team to victory. Hartwick tallied twice, while other two-point efforts came from line-mates Cole Madansky, Mike Hannah and Michael Vipond.

The AA major bantams are in St. Catharines tomorrow night and return to Tonelli Monday night to face Brampton. Game time is 8:30 p.m.

## Major atoms in tough

Milton's AA major atoms took just one of four possible points on the road last weekend — capping their travels with a 5-2 loss to Georgetown Sunday.

The Winterhawks showed strongly against the OMHA-contending Raiders, but simply couldn't mount enough offense to play the spoiler.

Cameron Hryciw scored on a pinball-like shot, while Marcus Dunsford also buried the biscuit. Kevin Thomson helped set up both goals, while single helpers went to Derek Dercatch and

James Hart.

Heartbreak struck one day earlier in Guelph, where Milton surrendered a last-minute equalizer and had to settle for a 3-3 stalemate.

Thompson assisted on one goal and scored another himself, while the Winterhawks' other marksmen were Brandon Nicols and Liam Robinson.

The AA major atoms are in Caledon tonight and return to Milton Sports Centre tomorrow to battle Brampton. Game time is 6 p.m.

## Midgets dumped twice

Home-ice advantage didn't prove to be much of an asset for Milton's AA midgets, who dropped straight decisions last weekend.

At John Tonelli Sports Centre, the Winterhawks were blanked 3-0 by Brampton. Two second-period goals were essentially the difference, as the hosts kept things tight but just had no firepower on the afternoon.

One night later at Milton Sports Centre, they were toppled by Guelph 7-4. Leading 3-2 after the first period, the local lads gave up five goals in the middle stanza on the way to being outdistanced.

Phil Foley had a goal and an assist, while rounding out the scoring were Mike Sonsogno, Nathan Grenke and Chris Whiting. Drawing two helpers was Matt Buck.

The AA midgets will look to get back in the win column tomorrow night when they travel to Georgetown. Sunday they host Orangeville at Milton Sports Centre. Game time is 8 p.m.

## Dynamos get started Jan. 6

The Junior Dynamos are looking for a few good grapplers.

E.C. Drury High School's affiliate wrestling program, open to elementary hopefuls in grades 4 to 8, begins another season January 6.

Tuesday evening practices and subsequent competitions teach youngsters the finer points of freestyle wrestling. Over the past several years, the club has been high-

ly successful — with a number of members going on to capture medals at the provincial and national level.

Fees for the season are \$25 per student. Registration can be done through any high school wrestler or at the first practice. For more information, call club director Larry Jaroslowski at (905) 876-3159 or head coach Andrew Sharpe at (905) 876-2192.
