

# JK, SK registration accepted

The Halton District School Board is accepting registrations for children who will be starting junior and senior kindergarten in September.

Parents should call their designated elementary school to find out which dates have been established for kindergarten registration.

Parents are asked to register their children by February 6.

Parents/guardians can check the Halton District School Board Web site at [www.hdsb.ca](http://www.hdsb.ca) for important

registration information and to view on-line school attendance boundaries or use the school locator program.

Both can be found on the home page under the button titled 'schools'.

Those registering must bring the following original documents: proof of your child's age with a birth certificate or passport, your child's immunization record, his or her Ontario Health Card and proof of address.

If you're not the child's parent, you must bring proof of custody such as a court order.

To register for fall, 2004, junior kindergarten children must be four years old by December 31, 2004, and senior kindergarten children must be five years old by that date.

Parents/guardians must be public school supporters.

Parents with children currently attending junior kindergarten don't need to re-register for senior kindergarten.
