# Hood gets federal Liberal nod in Wellington riding

Former NHL referee Bruce Hood scored a victory Wednesday night and became the federal Liberal candidate for Wellington-Halton Hills.

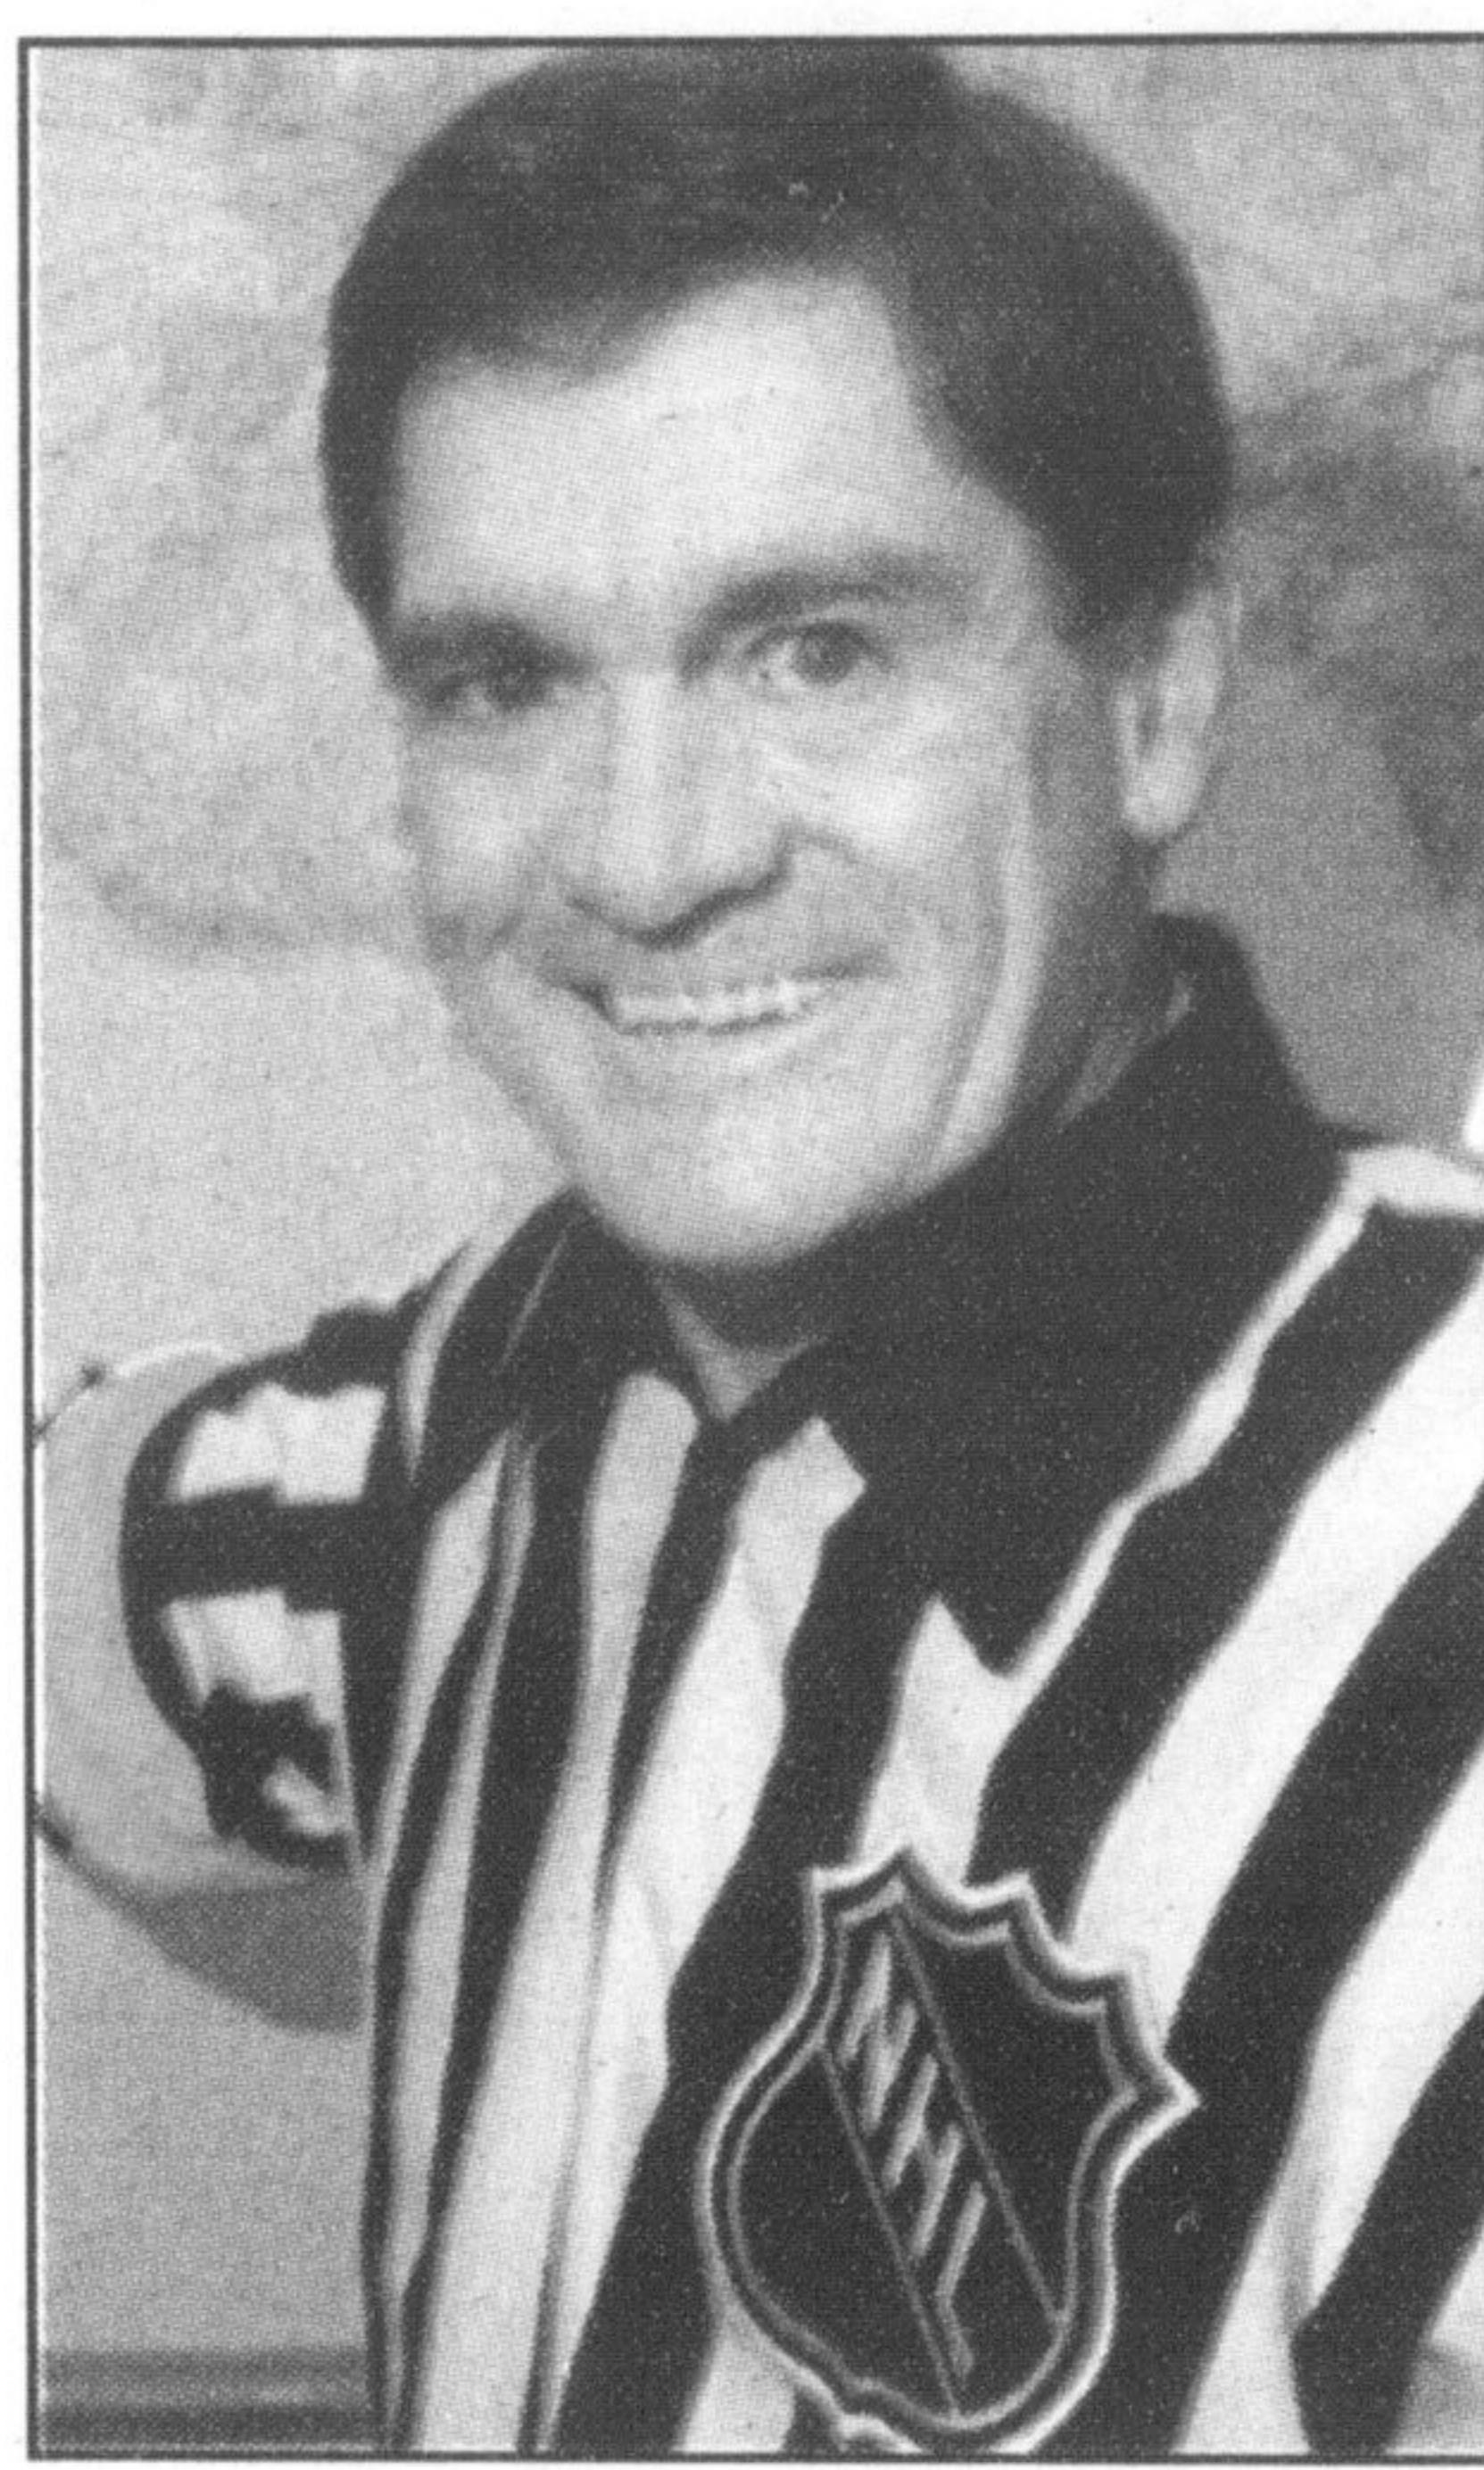

Mr. Hood, 67, of Erin won the position over Campbellville-area resident Gary Zemlak in a nomination meeting in Rockwood that attracted nearly 300 Liberal party supporters.

"I am very honoured to be representing the Liberals in this new riding," said Mr. Hood, a referee for 21 years and operator of several travel agencies, including one in Milton.

"I believe the experience and knowledge I have gained during my professional sports and business careers, and as a consumer representative in Ottawa, have prepared me to be a very good and effective voice for the people of Wellington-Halton Hills."

He added he's grateful for the

# Hornby board members sought

The Hornby Association of Rate Payers (HARP) will hold its annual general meeting March 24 at 7:30 p.m.

The meeting will take place at Hornby Glen Golf Club. Following a report by HARP president Ken Lawday, elections will be held for the 2004/05 HARP board.

HARP is looking for residents of the greater Hornby area who are willing to join the board, and is asking to be notified of this before the meeting so nominations can be announced. Two board members will be stepping down this year.

## NOTICE OF RECONVENING OF HEARING

**IN THE MATTER OF** the Consolidated Hearings Act, R.S.O. 1990, c.C.29, as amended; and

**IN THE MATTER OF** a proposal by the Proponent, Central Milton Holdings Limited and 665497 Ontario Limited.

The proposed amendment to the Niagara Escarpment Plan and the Region of Halton Official Plan is to include approximately 63 hectares of land owned by CMHL in the Milton Urban Area. These lands are generally located between Steeles Avenue and Main Street immediately west of the CN Railway.

The Applicant's proposal was considered by the Joint Board in 1999 and early 2000. On August 10, 2000, the Joint Board issued a Decision, which was confirmed by Cabinet on August 28, 2002, that the CMHL property, excluding the woodlot, could be considered for Urban designation but that an ordinary subdivision would not meet the objectives of the Niagara Escarpment Plan.

The Joint Board decided that a spacious, well landscaped plan would:

- respect views to the Escarpment;
- provide scenic walkways;
- access the Escarpment directly or indirectly;
- reflect densities existing on nearby Escarpment lands;
- be reflective of the open landscape character;
- evaluate the woodlot for its environmental sensitivity with proper setbacks; and
- dedicate the woodlot to the public.

The Joint Board directed that a Detailed Concept Plan be prepared to address these issues and to guide development on the CMHL property. The Joint Board deferred its decision to amend the respective plans pending the completion of a Detailed Concept Plan process.

The Joint Board intends to consider the approval of the Detailed Concept Plan at a hearing scheduled to commence on Thursday, April 1st, 2004, at 10:00 a.m. in the Council Chambers, The Town of Milton, 43 Brown Street, Milton, Ontario.

**IMPORTANT**

There will be no court reporting services provided by the Office of Consolidated Hearings for the Hearing. If the parties and participants consider that they require a transcript of the proceedings they may, with the Joint Board's approval, obtain such service at their own expense.

**TAKE NOTICE** that this hearing date is peremptory to all Parties. If you do not attend at this hearing and identify yourself, the Joint Board may proceed in your absence and you may not receive any further notice in these proceedings.

DATED at TORONTO, this 8th day of March, 2004.
