

## Earthy creature

Nine-year-old Shannon Jasper-Reed shows the garter snake she and her friends found at Centennial Park over the weekend.

## Projects accepted

The Halton Region Museum, together with both Halton school boards, is once again holding the Visions Canada awards.

Project submissions are now being accepted from students in kindergarten to grade 12.

The deadline for teachers and principals to send projects is May 7.

The theme of the program is Canada on a local, national or international level. Artistic and academic projects will be selected that highlight Canada's people, history, geography, culture or society.

Interested parents and students should speak directly to their teacher or school principal.

More information is available at [www.region.halton.on.ca/museum](http://www.region.halton.on.ca/museum). Or call Kim Wallace at (905) 335-3663, ext. 3230 or Kelly Cascone-Brown at (905) 702-8001.
