

Play ideal, says director

 funny play," explained Mr. Cranford. "The sexual innuendo is rather tongue in cheek, not that blatant, but it's not really for kids."

He added that The Affections of May is ideal for a smaller stage like the one at the Milton Seniors' Activity Centre, where things can sometimes get a little cramped with more prop-oriented productions.

"We've got a bit more room to play with this time," he said.

Show-only performances of The

Affections of May cost \$15 per person and run May 7, 13 and 14 starting at 8 p.m. Dinner theatre engagements — at \$35 a pop — are slated for May 8 and 15, with dinner served at 7 p.m. and the production to follow at 8:15 p.m.

Tickets are available at Delacourt's at Main and Martin streets by cash or cheque. They're also available by calling (905) 875-0629.

One accident shouldn't keep you locked in with the same Insurance Company.

Generally speaking, a 6 Star Driving Record means you are free of at-fault accidents for six years. If you are a 6 Star (or better) and are involved in your first at-fault loss, most insurers grant "forgiveness" on renewal. This means dropping you to a 5 Star instead of Zero. Assuming you incur no further at-fault losses, you stay at the 5 Star level until you once again qualify for the level six rate **providing you stay with the same insurer.**

Switching to a different insurance company will usually result in your driving record dropping to Zero Star and a substantial premium increase! This in effect forces one to stay with their current insurer for five years!

Dalton Timmis IS able to offer the forgiveness rate on new business through our Five-Star Program. If one at-fault loss is all you have on an otherwise clean driving record, we invite you to call us and find out what your options are!
