## A Hidden Gem In Downtown Milton

Nestled in the heart of Downtown Milton, Halton Hills Fine Jewellery, offers outstanding quality & prices with friendly, helpful service.

Halton Hills Fine Jewellery is a family owned downtown business which opened its doors as "The Genuine Gold Connection" in 1985. Anita and Max Mangotich bought the business in 1989 and shortly after re-located to its present location at 218 Main St. E. and changed the name to "Halton Hills Fine Jewellery" in October 2001.

Anita Mangotich has extensive retail sales experience including retail pharmacy, real estate and retail merchandising. Max Mangotich, co-owner, is also very involved with the business but prefers to keep a low profile.

Mike Mangotich, Anita and Max's son is a goldsmith and has also been involved in the store since 1989. With numerous jewellery programs under his belt, he does most of the repairs on site and can create "one of a kind" pieces on request. Mike has completed the diamond grading program with GIA and is working toward his certification as a gemologist.

Also on hand is Susan McDermott who has been with the store since 1994. With her vast background in retail and her winning smile, she is always ready to help you with your purchase for yourself or that special "someone".

Liz Baines, also full time jewellery consultant is both knowledgeable and helpful. She is always more

than willing to suggest a wise selection for that 'something special'.

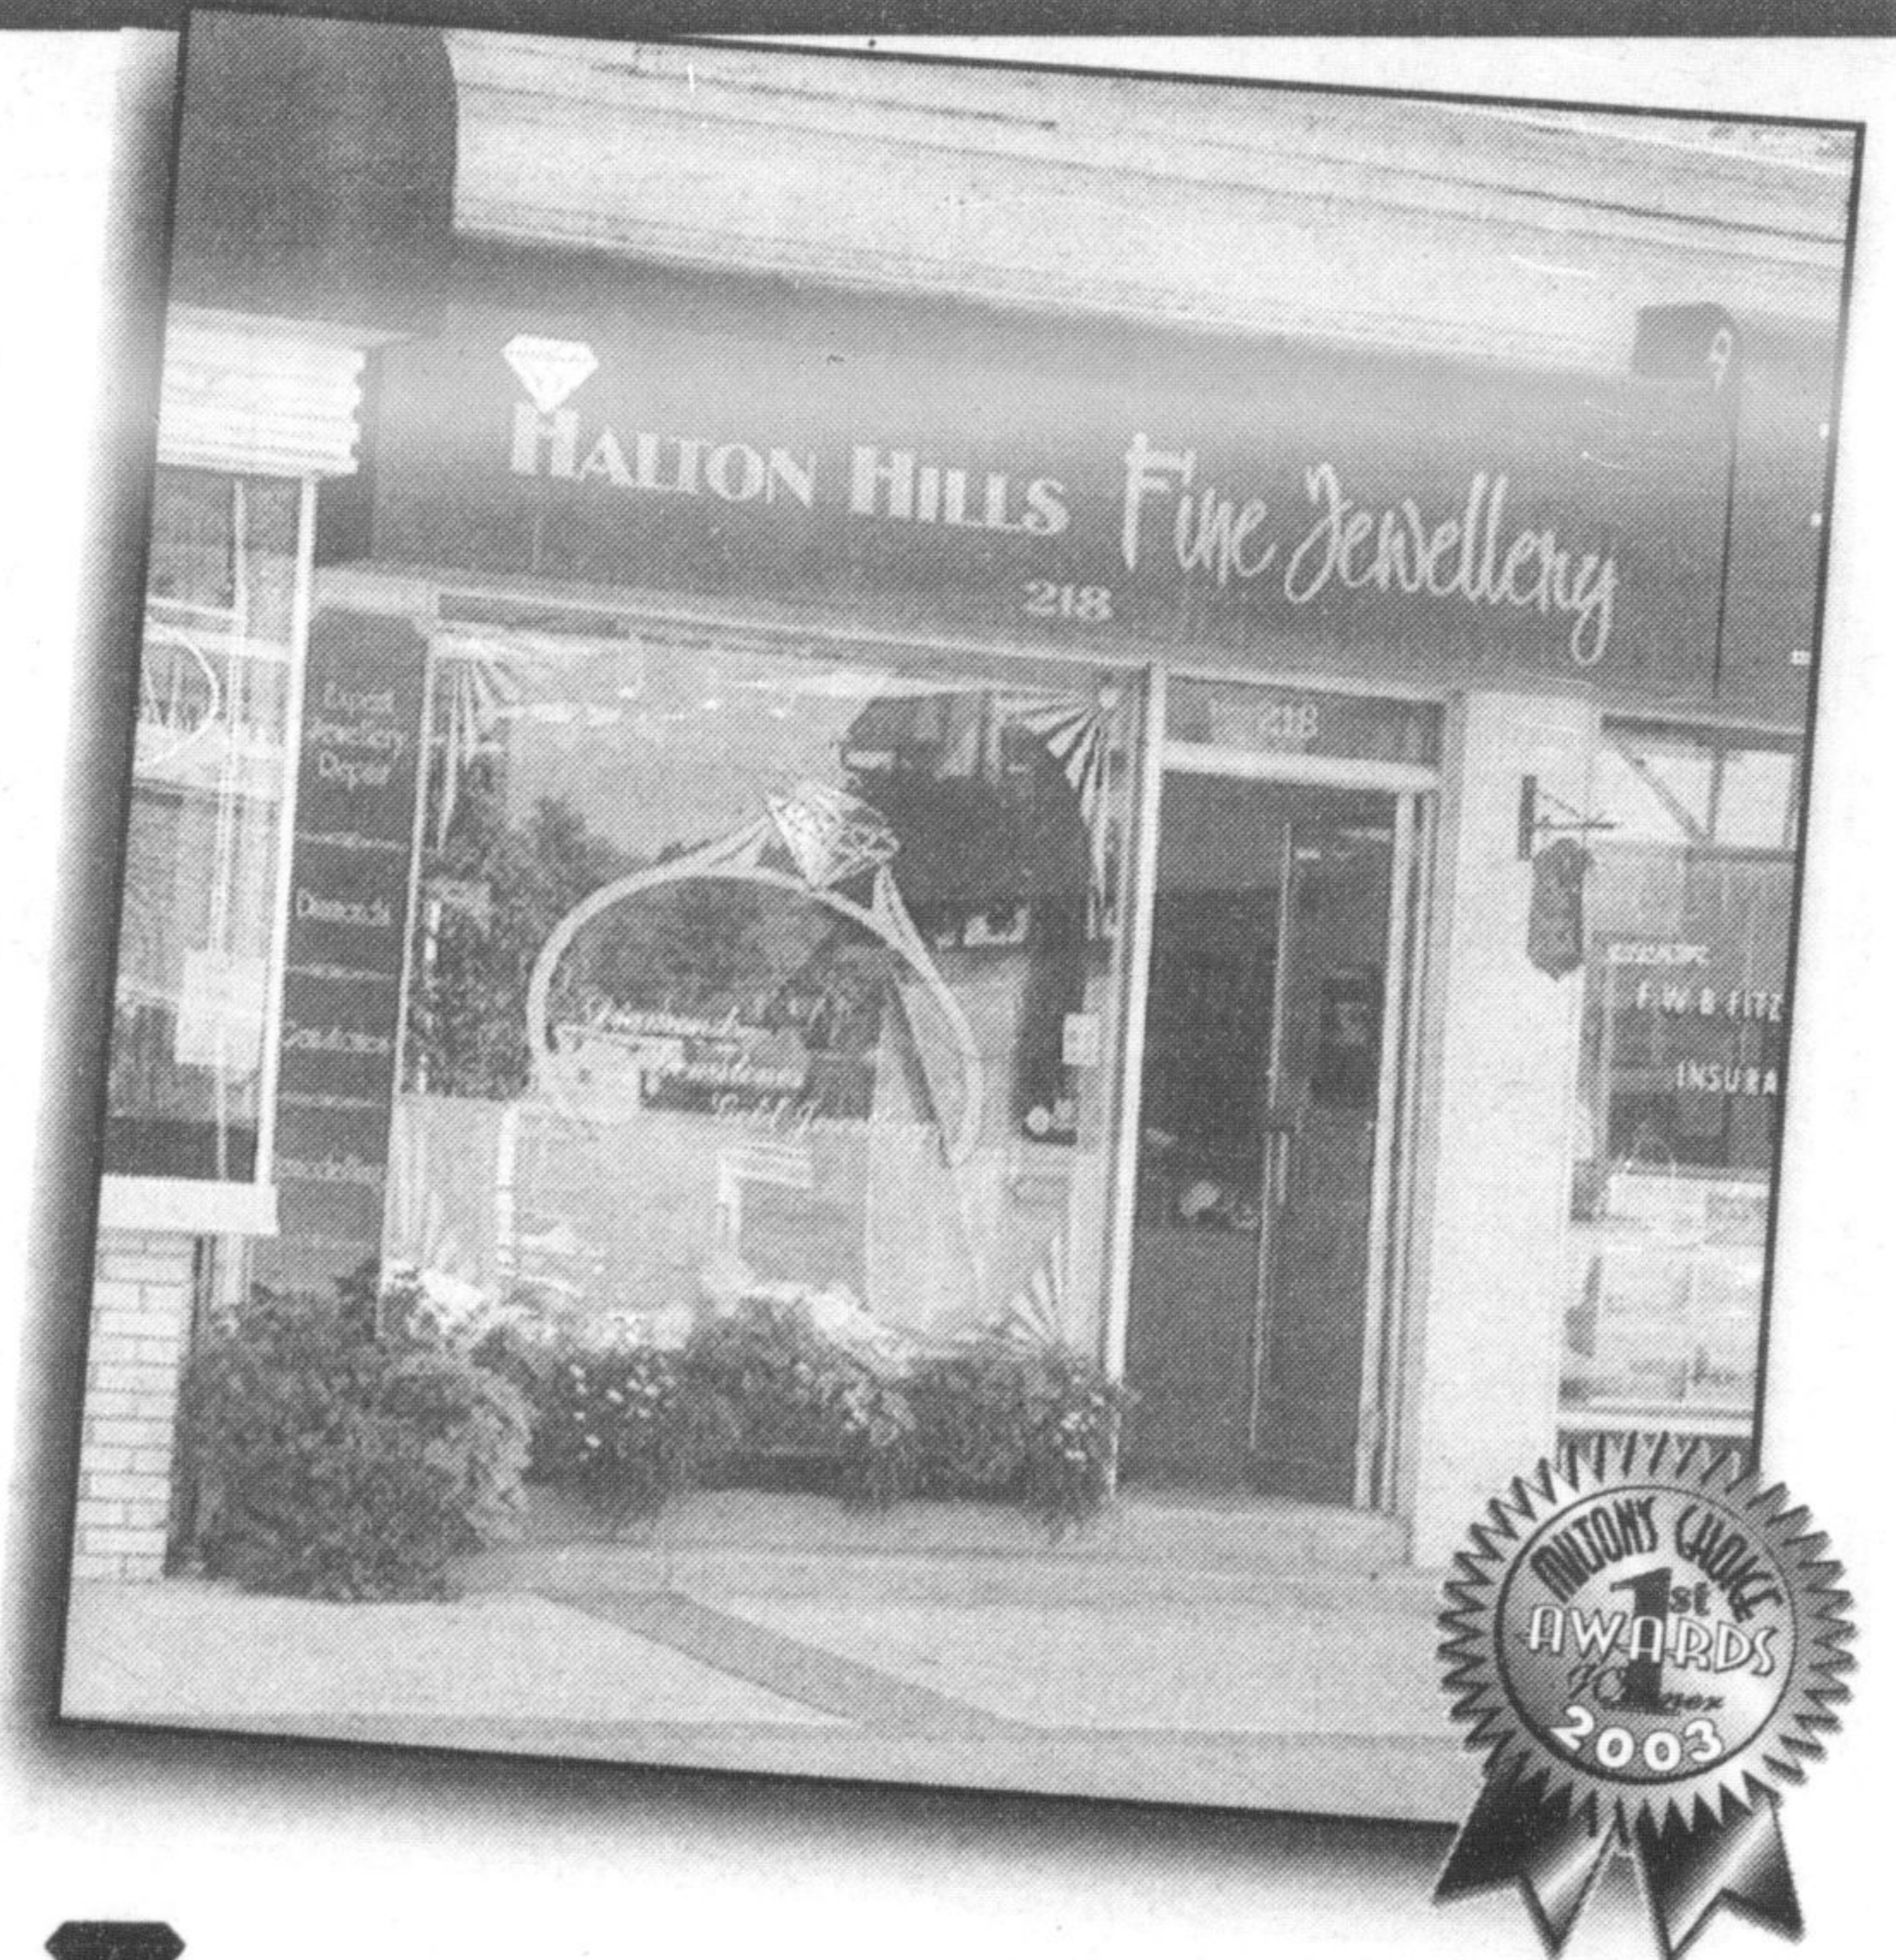

Erin Hetherington, our part time employee is an A student at Bishop Reding Secondary School. Drop by to say hello on Saturdays, especially during 'market days'.

Halton Hills Fine Jewellery carries an extensive line of 10, 14 and 18k gold and diamonds, pearls, gemstone jewellery, Citizen & Seiko watches, Wolf Design leather jewellery cases and Canadian made Seagull pewter. They offer free gift wrapping, free layaway and will clean your jewellery at no charge. They also offer a gift registry and the staff will be happy to work together with you on your wish list. Halton Hills Fine Jewellery won favourite Jewellery store in the 2003 Milton Choice Awards.

They take debit, VISA, Mastercard and American Express to make your shopping experience stress free.
