Open for business

With 39 years in politics — 23 of those at the helm of town council — Mayor Gord Krantz hasn't exactly found the need to brush up on his job search skills. Here, he gets a little help from summer employment officers Kate Miller (left) and Krista Rollings at Monday's official opening of the Milton student employment centre on Main Street.

Farmers' market opens May 22

Fruit and vegetable vendors — plus those with an assortment of other goodies — will return to Main Street May 22 for the start of another season of the Milton

Farmers' Market.

As a result, Main Street parking between Martin and James streets is prohibited overnight Fridays until the end of October. If a vehi-

cle is parked on the street, it will be towed at the owner's expense.

The farmers' market will operate from 6 a.m. to 12:30 p.m. each Saturday until October 30.
