Reminder to Parents

An enjoyable soccer season requires your assistance. Please do not hesitate to offer your child's coach help with team lists, game reports, organizing a refreshment schedule etc.

Remember to bring your players to their games 15 minutes prior to game time. This allows the coach time to prepare team lists and starting line-ups.

Please encourage your children to be reliable and committed to their team by doing their best to make the most of their games and practices.

During the summer months we realize that may miss some games do to vacation but please inform your coach if you cannot attend a game.

Let's remember to support our coaches and referees.

Parent volunteers run our club. They are always available to help in any way they can to ensure that everything runs smoothly and that the children are having fun. You can identify them by their gray shirts. Look for them on the fields.
