Join our Pre-Authorized Tax Payment Program (PTP) for the 2004 final billing!

All 2004 Interim taxes and prior years taxes (including supplementary billings) must first be paid in full.

The PTP program provides taxes to be automatically withdrawn from your bank account on a) the first business day of each month from February to November (Monthly Tax Payment Plan) or b) on each of the four regularly scheduled instalments of February, April, June and September (Due Date Tax Payment Plan).

How it works

1. Only properties that are fully assessed (i.e. both land and structure values have been assigned), can participate in this program.
2. Complete the application and forward it along with a void cheque. (line of credit, credit card and savings cheques cannot be used). Return to us no later than May 31, 2004.
3. In January, a statement will be mailed to you advising of instalment details for the current billing period. Final statement details will be sent to you in the month of June.
4. The interim and final notices will serve as your receipt of taxes paid for the current year (void if payment not honored by the bank).

Bank Account Changes and Program Withdrawals

For changes or withdrawal from the program, written notice is required 15 days prior to the next withdrawal.

Penalties

An administration fee will be applied to your account for payments not cleared by your financial institution. The Town has reserved the right to cancel your program enrollment immediately following one non-honored payment. In addition, a penalty of 1.25 % will be added the first day of each month on the outstanding principle amount until repaid.
